

USA Technologies Comments on S.A.V.E. Letter

January 10, 2014

MALVERN, Pa.--(BUSINESS WIRE)-- [USA Technologies, Inc.](http://www.usatech.com) (NASDAQ:USAT), ("USAT"), said today that its board of directors has received a letter from S.A.V.E. Partners IV, LLC stating that S.A.V.E. believes that USA Technologies should immediately commence a process to explore and evaluate all potential strategic alternatives, including exploring a sale. The letter was also included by S.A.V.E. as an exhibit to a publicly filed amendment to its Schedule 13D.

Stephen P. Herbert, USA Technologies' chairman and chief executive officer, stated: "I want to assure all of our shareholders, including S.A.V.E., that we fully recognize the market dynamics in which our company operates, and that our board of directors has appropriately explored, and continues to appropriately explore, any and all potential strategic alternatives in order to maximize shareholder value."

About USA Technologies:

USA Technologies is a leader of wireless, cashless payment and M2M telemetry solutions for small-ticket, self-serve retailing industries. ePort Connect® is the company's flagship service platform, a PCI-compliant, end-to-end suite of cashless payment and telemetry services specially tailored to fit the needs of small ticket, self-service retailing industries. USA Technologies also provides a broad line of cashless acceptance technologies including its NFC-ready ePort® G8, ePort Mobile™ for customers on the go, and QuickConnect, an API Web service for developers. USA Technologies has been granted 86 patents; and has agreements with Verizon, Visa, Elavon and customers such as Compass, Crane, AMI Entertainment and others. Visit the website at www.usatech.com.

Forward-looking Statements:

"Safe Harbor" Statement under the Private Securities Litigation Reform Act of 1995: All statements other than statements of historical fact included in this release, including without limitation the business strategy and the plans and objectives of USAT's management for future operations and the results of the exploration of strategic alternatives, are forward-looking statements. When used in this release, words such as "anticipate," "believe," "estimate," "expect," "intend," and similar expressions, as they relate to USAT or its management, identify forward-looking statements. Such forward-looking statements are based on the beliefs of USAT's management, as well as assumptions made by and information currently available to USAT's management. Actual results could differ materially from those contemplated by the forward-looking statements as a result of certain factors, including but not limited to, the incurrence by us of any unanticipated or unusual non-operational expenses which would require us to divert our cash resources from achieving our business plan; the ability of USAT to retain key customers from whom a significant portion of its revenues is derived; the ability of USAT to compete with its competitors to obtain market share; whether USAT's customers continue to utilize USAT's transaction processing and related services, as our customer agreements are generally cancelable by the customer on thirty to sixty days' notice; the ability of USAT to obtain widespread commercial acceptance of its products; and whether USAT's existing or anticipated customers purchase, rent or utilize ePort devices or our other products or services in the future at levels currently anticipated by USAT. Readers are cautioned not to place undue reliance on these forward-looking statements. Any forward-looking statement made by us in this release speaks only as of the date of this release. Unless required by law, USAT does not undertake to release publicly any revisions to these forward-looking statements to reflect future events or circumstances or to reflect the occurrence of unanticipated events.
