

USA Technologies' Maeve McKenna Duska to Speak at The Digital Money Forum - New to CES

January 4, 2016

USA Technologies, Inc. (NASDAQ:USAT):

WHAT: Maeve McKenna Duska, senior vice president, marketing, USA Technologies ("USAT"), will be a speaker at the upcoming Digital Money Forum at The Venetian in Las Vegas, Nev. McKenna Duska will be a part of the "Cashless Payments at Retail" panel.

The Digital Money Forum, new to CES, brings together payments and technology leaders, creating a forum to discuss, debate, and discover the leading technologies changing how payments happen in today's world. The conference will explore the disruption of the traditional cash based payment systems and address the need of a global economy intent on buying, selling and paying anywhere, anytime and on any device. Prepare for a great debate on cashless payment systems, virtual currencies and the demise of paper currency.

WHEN: Friday, January 8, 2016, 10:45 a.m. - 11:15 a.m. (PST)

WHERE: The Venetian Hotel
Level 4, Marcello 4404
Las Vegas, Nev.

CONFERENCE WEBSITE: For more details on the conference and for registration information, please visit: <http://www.cesweb.org/Conference/Conference-Tracks/Digital-Money-Forum>
