February 12, 2020

Schedules Second Quarter Fiscal Year 2020 Earnings Release and Conference Call for February 19, 2020

MALVERN, Pa.--(BUSINESS WIRE)--Feb. 12, 2020-- USA Technologies, Inc. (OTC: USAT) ("USAT" or the "Company"), a cashless payments and software services company that provides end-to-end technology solutions for the self-service retail market, today issued the following statement:

During USAT's upcoming earnings conference call for the fiscal quarter ended December 31, 2019, which has been scheduled for Wednesday, February 19, at 8:30 a.m. Eastern Time, management will discuss the Company's strategy to advance its market-leading position, accelerate growth and deliver value for shareholders.

USAT is continuing to implement measures to bring the Company's oversight and control functions in line with best practices. As part of this process, and during the preparation of its financial statements, the Company identified favorable adjustments to previously reported revenue and earnings related to the realization of equipment revenues for hardware devices and certain leasing/rental contracts of its wholly owned subsidiary, Cantaloupe Systems, Inc. These favorable adjustments primarily relate to the fiscal year ended June 30, 2019 and the first quarter of fiscal year 2020, ended September 30, 2019.

The Company is in the process of completing its analysis of the materiality of these adjustments and believes it will be in a position to file its Form 10-Q for the fiscal quarter ended December 31, 2019 in the coming days. The Company noted that these adjustments do not relate to the Audit Committee's internal investigation which was substantially completed in January 2019.
