About USA Technologies, Inc.

USA Technologies, Inc. is a cashless payments and software services company that provides end-to-end technology solutions for the self-service retail market. USAT is transforming the unattended retail community by offering one integrated solution for payments processing, logistics, and back-office management. The Company's enterprise-wide platform is designed to increase consumer engagement and sales revenue through digital payments, digital advertising and customer loyalty programs, while providing retailers with control and visibility over their operations and inventory. As a result, customers ranging from vending machine companies, to operators of micro-markets, gas and car charging stations, laundromats, metered parking terminals, kiosks, amusements and more, can run their businesses more proactively, predictably, and competitively.
