## About Cantaloupe Inc.

Cantaloupe, Inc. is a software and payments company that provides end-to-end technology solutions for the unattended retail market. Cantaloupe is transforming the unattended retail community by offering one integrated solution for payments processing, logistics, and back-office management. The Company's enterprise-wide platform is designed to increase consumer engagement and sales revenue through digital payments, digital advertising and customer loyalty programs, while providing retailers with control and visibility over their operations and inventory. As a result, customers ranging from vending machine companies, to operators of micro-markets, gas and car charging stations, laundromats, metered parking terminals, kiosks, amusements and more, can run their businesses more proactively, predictably, and competitively. For more information, please visit our website at www.cantaloupe.com.
