Bistro to Go! By Cantaloupe combines Cantaloupe’s leading Seed software platform and Yoke self-checkout kiosks into a complete end-to-end micro market solution for GlobalConnect’s affiliate network. This combined offering makes Cantaloupe a preferred partner for vending and micro market management software.

“We are excited to partner with GlobalConnect on the *Bistro to Go! By Cantaloupe* kiosk program,” said Ravi Venkatesan, CEO of Cantaloupe. “By pairing our Yoke kiosks with our comprehensive Seed platform for vending and micro market management, GlobalConnect affiliates can reap the benefits of a feature-rich self-checkout experience while maximizing ROI for their micro markets.”

The introduction of the *Bistro to Go! By Cantaloupe* kiosks expands GlobalConnect’s branded micro market solutions for all its U.S.-based affiliates. One of the biggest benefits of the program is the seamless user experience for the end consumer.

“We’ve made integration a priority for the *Bistro to Go! By Cantaloupe* kiosk program. Current *Bistro to Go!* consumers using the USConnect Me app will fully enjoy the same great app features they are used to, such as stored value cards and loyalty programs,” said Ravi Venkatesan. “Because the integration is turnkey, existing *Bistro to Go!* consumer account users won’t notice a difference when using a *Bistro to Go! By Cantaloupe* kiosk. It’s a win-win for the operators and their consumers.”

The *Bistro to Go! By Cantaloupe* program aims to offer GlobalConnect affiliates a cost-effective micro market kiosk option that is simple to install, easy to operate and provides a quick return on investment.

“The first *Bistro to Go! By Cantaloupe* kiosk we installed was in our state of the art training facility,” noted Jeff Whitacre, CEO of GlobalConnect. “We found that everyone loved the kiosk’s robust features, acceptance of the USConnectMe app and seamless integration into Cantaloupe’s Seed platform. We are excited to offer this program to our affiliates and know that with access to a full micro market solution, they will be able to deliver an exceptional *Bistro to Go!* experience every time.”
