About Cantaloupe Inc.

Cantaloupe, Inc. is a software and payments company that provides end-to-end technology solutions for self-service commerce. Cantaloupe is transforming the self-service industry by offering one integrated solution for payments processing, logistics, and back-office management. The company's enterprise-wide platform is designed to increase consumer engagement and sales revenue through digital payments, digital advertising and customer loyalty programs, while providing retailers with control and visibility over their operations and inventory. As a result, customers ranging from vending machine companies to operators of micro markets, car charging stations, laundromats, metered parking terminals, kiosks, amusements, and more can run their businesses more proactively, predictably, and competitively.
