USA TECHNOLOGIES, INC.
PROXY STATEMENT

SOLICITATION OF PROXY, REVOCABILITY AND VOTING

GENERAL

The enclosed proxy is solicited on behalf of the Board of Directors of USA Technologies, Inc., a Pennsylvania corporation (the "Company"), for use at the 2006 Annual Meeting of Shareholders (the "Annual Meeting"), to be held at 10:00 a.m., on December 13, 2005, at the Chester Valley Golf Club, 430 Swedesford Road, Malvern, Pennsylvania 19355.

Only holders of Common Stock or Series A Convertible Preferred Stock of record at the close of business on October 31, 2005 will be entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock and Series A Preferred Stock is entitled to one vote on all matters to come before the Annual Meeting. On October 31, 2005, the record date for the Annual Meeting, the Company had issued and outstanding 453,960,687 shares of Common Stock, no par value ("Common Stock"), and 521,642 shares of Series A Convertible Preferred Stock, no par value ("Series A Preferred Stock").

The Company's principal executive offices are located at 100 Deerfield Lane, Suite 140, Malvern, Pennsylvania 19355. The approximate date on which this Proxy Statement and the accompanying proxy are first being sent to shareholders is November 18, 2005.

QUORUM AND VOTING

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast by the shareholders entitled to vote generally at the Annual Meeting is necessary to constitute a quorum. Votes withheld for director nominees and abstentions on the other proposals to be considered at the Annual Meeting will be counted in determining whether a quorum has been reached, but the failure to execute and return a proxy will result in a shareholder not being considered present at the meeting. The holders of the Common Stock and Series A Preferred Stock vote together, and not as a separate class, on all matters to be submitted to shareholders at the Annual Meeting. If a quorum is not present at the Annual Meeting, we expect that the Annual Meeting will be adjourned or postponed to solicit additional proxies.

Assuming the presence of a quorum, generally the adoption of a proposal by the shareholders requires the affirmative vote of the holders of at least a majority of all shares casting votes in person or by proxy at the Annual Meeting. Directors are elected by a plurality, and the six nominees who receive the most votes will be elected. Abstentions and broker non-votes will not be taken into account to determine the outcome of the election of directors or the approval of any proposal. Approval of the proposal to ratify the selection of auditors will require the affirmative vote of the holders of at least a majority of all shares casting votes in person or by proxy at the Annual Meeting. Approval of the proposal to increase the number of authorized shares of Common Stock will require the affirmative vote of the holders of at least a majority of all shares casting votes in person or by proxy at the Annual Meeting. Only shares affirmatively voted for a proposal, including properly executed proxies that do not contain voting instructions, will be counted as favorable votes for that proposal. Brokers who hold shares of stock in street name for customers and who indicate on a proxy that the broker does not have discretionary authority to vote those shares as to a particular matter are referred to as broker non-votes. Broker non-votes will have no effect in determining whether a proposal will be adopted at the Annual Meeting although they would be counted as present for purposes of determining the existence of a quorum. Abstentions as to a particular proposal will have the same effect as votes against such proposal.

REVOCABILITY OF PROXIES

Shares represented by proxies, if properly signed and returned, will be voted in accordance with the specifications made thereon by the shareholders. Any proxy not specifying to the contrary will be voted in favor of the adoption of all of the proposals referred to in the Notice of Annual Meeting and for the six nominees for Director listed in Item 1 below. A shareholder who signs and returns a proxy may revoke it any time before it is voted by the filing of an instrument revoking it or a duly executed proxy bearing a later date with the Secretary of the Company. Your mere attendance at the Annual Meeting will not revoke your proxy.

SOLICITATION

The cost of soliciting proxies will be borne by the Company. Such solicitation will be made by mail and may also be made on behalf of the Company by the Company's Directors, officers or employees in person or by telephone, facsimile transmission or telegram.

(1) Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission and derives from either voting or investment power with respect to securities. Shares of Common Stock issuable upon conversion of the Preferred Stock, shares issuable upon the conversion of Convertible Senior Notes, or shares of Common Stock issuable upon exercise of warrants and options currently exercisable, or exercisable within 60 days of September 30, 2005, are deemed to be beneficially owned for purposes hereof.

(2) On September 30, 2005 there were 449,233,378 shares of Common Stock and 521,642 shares of Preferred Stock issued and outstanding. For purposes of computing such percentages it has also been assumed that all of the remaining Common Stock Warrants have been exercised for 31,380,145 shares of Common Stock; that all of the Senior Notes have been converted into 72,196,765 shares of Common Stock; and that all of the accrued and unpaid dividends on the Preferred Stock as of September 30, 2005 have been converted into 783,603 shares of Common Stock. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF ALL NOMINEES.

MEETINGS OF THE BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors of the Company held a total of five meetings during the fiscal year ended June 30, 2005 (not including actions adopted by unanimous consent). Each member of the Board of Directors attended at least 75% of the aggregate number of meetings of the Board and Board Committees of which he was a member during the 2005 fiscal year. The Company does not have a policy with regard to Board members attendance at annual meetings. All six of our Directors attended the 2005 Annual Meeting.

The Board of Directors has an Audit Committee and a Compensation Committee.

The Audit Committee of the Board of Directors presently consists of Mr. Van Alen (Chairman), Mr. Sellers and Mr. Lurio. It held four meetings during the 2005 fiscal year. The Audit Committee recommends the engagement of the Company's independent accountants and is primarily responsible for approving the services performed by the Company's independent accountants, for reviewing and evaluating the Company's accounting principles, reviewing the independence of independent auditors, and reviewing the adequacy and effectiveness of the Company's internal controls. See "Report of the Audit Committee."

The Compensation Committee of the Board of Directors presently consists of Mr. Sellers (Chairman), Mr. Katz and Mr. Van Alen. The Committee reviews and recommends compensation and compensation changes for executives of the Company and the Board of Directors and administers the Company's stock option and stock grant plans. The Compensation Committee did not meet during the 2005 fiscal year.

The Board of Directors does not have a nominating committee. Historically our entire Board has selected nominees for election as directors. The Board believes this process has worked well thus far particularly since it has been the Board's practice to require unanimity of Board members with respect to the selection of director nominees. In determining whether to elect a director or to nominate any person for election by our shareholders, the Board assesses the appropriate size of the Board of Directors, consistent with our bylaws, and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, the Board will consider various potential candidates to fill each vacancy. Candidates may come to the attention of the Board through a variety of sources, including from current members of the Board, shareholders, or other persons. The Board of Directors has not yet had the occasion to, but will, consider properly submitted proposed nominations by shareholders who are not directors, officers, or employees of the Company on the same basis as candidates proposed by any other person. The Board will evaluate each candidate on a case-by-case basis and will not evaluate candidates differently based on who has made the proposal.

Shareholders who wish to suggest qualified candidates should write to the Secretary, USA Technologies, Inc., 100 Deerfield Lane, Suite 140, Malvern, PA 19355, specifying the name of the candidates and stating in detail the qualifications of such persons for consideration by the Board. A written statement from the candidate consenting to be named as a candidate and, if nominated and elected, to serve as a director should accompany any such recommendation.

COMPENSATION OF DIRECTORS

Members of the Board of Directors receive cash and equity compensation for serving on the Board of Directors. During fiscal year 2005, we paid each of our four outside Directors \$20,000 each for serving as a Director during the fiscal year and \$10,000 each for serving on Board Committees.

ITEM 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (Item 2 on Proxy Card)

The firm of Goldstein Golub Kessler LLP has been selected by the Board of Directors to serve as the Company's independent registered public accounting firm for fiscal year 2006. The shareholders will be asked to ratify this appointment at the Annual Meeting. A representative of Goldstein Golub Kessler LLP is expected to be present at the Annual Meeting and will have the opportunity to make a statement if desired and is expected to be available to respond to appropriate questions.

The following resolution concerning the appointment of the independent registered public accounting firm will be presented to the shareholders at the Annual Meeting:

RESOLVED, that the appointment by the Board of Directors of the Company of Goldstein Golub Kessler LLP, independent registered public accounting firm, to examine the books, accounts and records of the Company for the fiscal year ending June 30, 2006 is hereby ratified and approved.

The affirmative vote of a majority of the votes cast by all holders of the outstanding shares of Common Stock and Series A Preferred Stock voting together (with each share of Common Stock and Series A Preferred Stock entitled to one vote) is required for ratification of this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE PROPOSAL SET FORTH ABOVE.

ITEM 3 APPROVAL OF AN AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION INCREASING THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

(Item 3 on Proxy Card)

The Company's Articles of Incorporation presently authorizes the issuance of up to 560,000,000 shares of Common Stock. The Board of Directors has approved a resolution which if approved by the shareholders would increase the number of authorized shares of Common Stock to 640,000,000.

As of October 31, 2005, the number of issued and outstanding shares of Common Stock on a fully converted basis is 559,510,452, which is slightly less than the number of shares of Common Stock which are currently authorized (560,000,000) by the Articles of Incorporation. These shares consist of the following:

453,960,687 shares of Common Stock actually issued and outstanding;

521,642 shares issuable upon conversion of the currently issued and outstanding Series A Preferred Stock;

783,604 shares issuable upon conversion of the accrued and unpaid dividends on the Series A Preferred Stock;

2,009,972 shares issuable upon exercise of outstanding options;

25,398,686 shares issuable upon exercise of outstanding warrants;

75,870,098 shares reserved for issuance upon the conversion of the outstanding Convertible Senior Notes;

847,101 shares issuable under our agreement with Steve Illes; and

58,693 shares issuable under the 2004-B Stock Compensation Plan.

Based upon the foregoing outstanding and reserved shares, the Company currently has 489,548 shares of Common Stock remaining available for other purposes. The purpose of the proposed amendment is to authorize a sufficient number of additional shares of Common Stock to provide the Company with the flexibility to issue Common Stock for a variety of corporate purposes, such as to raise equity capital, to issue convertible debt, to issue additional warrants or options or to make acquisitions through the use of shares. At this time, the Company has no such specific plans, proposals or arrangements, written or otherwise. As of October 31, 2005, and assuming approval of this proposal, there would be 80,489,548 shares of Common Stock eligible for future issuance. The Board of Directors will have the authority to issue these authorized shares of Common Stock from time to time for proper corporate purposes without further shareholder approval unless required by applicable law. Shareholders do not have preemptive rights with respect to the Common Stock. The issuance of Common Stock or securities convertible into Common Stock, on other than a pro-rata basis, would result in the dilution of a present shareholder's interest in the Company.

The Company has not proposed the increase in the authorized number of shares with the intention of using the additional shares for anti-takeover purposes, although the Company could theoretically use the additional shares to make it more difficult or to discourage an attempt to acquire control of the Company. For example, in the event of an attempt to take over control of the Company, it may be possible for the Company to endeavor to impede the attempt by issuing shares of the Common Stock, thereby diluting the voting power of the other outstanding shares and increasing the potential cost to acquire control of the Company. The proposed amendment may therefore have the effect of discouraging unsolicited takeover attempts. The Board of Directors is not aware of any attempt to take control of the Company and the Board of Directors has not presented this proposal with the intent that it be utilized as a type of anti-takeover device. At this time, the Company has no additional plans or proposals to adopt other provisions or enter into other arrangements that may have material anti-takeover consequences.

The resolution to be considered by the shareholders at the Annual Meeting reads as follows:

RESOLVED, that Paragraph (A) Classes of Stock of Article 4 of the Articles of Incorporation of the Company shall be amended and restated to read in full as follows:

(A) Classes of Stock. The aggregate number of shares which the corporation shall have authority to issue is 641,800,000 shares, consisting of 640,000,000 shares of Common Stock, without par value, and 1,800,000 shares of Series Preferred Stock, without par value.

Shareholder approval of this proposal is required under Pennsylvania law and the Articles of Incorporation. Approval of the amendment to the Company's Articles of Incorporation increasing the number of authorized shares of Common Stock requires the affirmative vote of a majority of all votes cast by the holders of outstanding shares of Common Stock and Series A Preferred Stock voting together (with each share of Common Stock and Series A Preferred Stock entitled to one vote). If this proposal is adopted, it will become effective upon filing of Articles of Amendment with the Department of State of the Commonwealth of Pennsylvania which the Company anticipates filing immediately following the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THIS AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK.

During July 2003, the Company and Mr. Jensen agreed to amend Mr. Jensen's employment agreement so that upon the occurrence of a USA Transaction he would receive only 14,000,000 shares. Under the new amended agreement, the 14,000,000 shares became subject to dilution (i.e., did not increase in order to reflect subsequent issuances by the Company of its shares).

Under the prior agreement, the number of shares to be issued to Mr. Jensen was not subject to dilution (i.e., would be increased in order to reflect subsequent issuances by the Company of its shares) and was based upon the actual total number of shares outstanding at the time of a USA Transaction. For example, if a USA Transaction occurred while there were 475,000,000 shares then outstanding on a fully converted basis, Mr. Jensen would have received 33,250,000 shares under his prior agreement rather than the fixed number of 14,000,000 shares under his new amended agreement. During July 2003, the Company issued to Mr. Jensen an aggregate of 10,500,000 shares of restricted Common Stock, 2,500,000 shares of which were issued as compensation to Mr. Jensen, and 8,000,000 shares of which were issued to Mr. Jensen in connection with the employment agreement amendment described above. In accordance with generally accepted accounting principles, the Company was required to value all of these shares at \$.44 per share or an aggregate of \$4,620,000.

(4) Employment as Chief Financial Officer commenced on April 12, 2005.

EXECUTIVE EMPLOYMENT AGREEMENTS

The Company has entered into an employment agreement with Mr. Jensen that expires June 30, 2007 and is automatically renewed from year to year thereafter, unless canceled by Mr. Jensen or the Company. The agreement provides for an annual base salary of \$250,000 effective January 1, 2004. Mr. Jensen is entitled to receive such bonus or bonuses, as may be awarded to him by the Board of Directors. In determining whether to pay such a bonus, the Board would use its subjective discretion. The Agreement requires Mr. Jensen to devote his full time and attention to the business and affairs of the Company, and obligates him not to engage in any investments or activities which would compete with the Company during the term of the Agreement and for a period of one year thereafter.

The agreement also grants to Mr. Jensen in the event a "USA Transaction" (as defined below) occurs after the date thereof an aggregate of 14,000,000 shares of Common Stock subject to adjustment for stock splits or combinations ("Jensen shares"). The Jensen Shares have not been reserved for issuance by the Company and are not reflected or included in the number of issued and outstanding shares of the Company on a fully diluted basis in this Proxy Statement. Mr. Jensen is not required to pay any additional consideration for the Jensen Shares. At the time of any USA Transaction, all of the Jensen Shares are automatically deemed to be issued and outstanding immediately prior to any USA Transaction, and are entitled to be treated as any other issued and outstanding shares of Common Stock in connection with such USA Transaction.

The term USA Transaction is defined as (i) the acquisition of fifty-one percent or more of the then outstanding voting securities entitled to vote generally in the election of Directors of the Company by any person, entity or group, or (ii) the approval by the shareholders of the Company of a reorganization, merger, consolidation, liquidation, or dissolution of the Company, or the sale, transfer, lease or other disposition of all or substantially all of the assets of the Company. The Jensen Shares are irrevocable and fully vested, have no expiration date, and will not be affected by the termination of Mr. Jensen's employment with the Company for any reason whatsoever. If a USA Transaction shall occur at a time when there are not a sufficient number of authorized but unissued shares of Common Stock, then the Company shall as a condition of such USA Transaction promptly take any and all appropriate action to make available a sufficient number of shares of Common Stock. In the alternative, the Company may structure the USA Transaction so that Mr. Jensen would receive the same amount and type of consideration in connection with the USA Transaction as any other holder of Common Stock.

The Company has entered into an employment agreement with Mr. Herbert that expires on June 30, 2007 and is automatically renewed from year to year thereafter, unless canceled by Mr. Herbert or the Company. The Agreement provides for an annual base salary of \$230,000 per year effective January 1, 2004. Mr. Herbert is entitled to receive such bonus or bonuses as the Board of Directors may award to him. The Agreement requires Mr. Herbert to devote his full time and attention to the business and affairs of the Company and obligates him not to engage in any investments or activities which would compete with the Company during the term of the agreement and for a period of one year thereafter. In the event that a USA Transaction (as defined in Mr. Jensen's employment agreement) shall occur, then Mr. Herbert has the right to terminate his agreement upon 30 days notice to USA.

Mr. Kolls has entered into an employment agreement with the Company that expires on June 30, 2006 and is automatically renewed from year to year thereafter unless canceled by Mr. Kolls or the Company. The agreement provides for an annual base salary of \$165,000 per year effective January 1, 2004. Mr. Kolls is entitled to a payment of \$5,000 upon each of the following: (i) filing of a new patent application by USA for which he is listed as the inventor; (ii) granting of any such patent application; and (iii) issuance of a patent for any patent application that had been filed prior to April 20, 2004. Mr. Kolls is also entitled to receive such bonus or bonuses, as may be awarded to him by the Board of Directors. The Agreement requires Mr. Kolls to devote his full time and attention to the business and affairs of the Company, and obligates him not to engage in any investments or activities which would compete with the Company during the term of his agreement and for a period of one year thereafter. In the event that a USA Transaction (as defined in Mr. Jensen's employment agreement) shall occur, then Mr. Kolls has the right to terminate his agreement upon 30 days notice to USA. During December 2004, Mr. Kolls agreed to extend the expiration date of his employment agreement from June 30, 2005 to June 30, 2006, and in accordance with his employment agreement received an incentive cash payment from USA of \$70,000.

Ms. Hepburn has entered into an employment agreement with the Company that expires on June 30, 2006 and is automatically renewed from year to year thereafter unless canceled by Ms. Hepburn or the Company. The agreement provides for an annual base salary of \$130,000 per year effective January 1, 2004. Ms. Hepburn is also entitled to receive such bonus or bonuses as the Board of Directors may award to her. The Agreement requires Ms. Hepburn to devote her full time and attention to the business and affairs of the Company, and obligates her not to engage in any investments or activities which would compete with the Company during the term of the agreement and for a period of one year thereafter.

Mr. DeMedio has entered into an employment agreement with the Company, which expires on April 30, 2006, and is automatically renewed from year to year thereafter unless cancelled by Mr. DeMedio or the Company. The agreement provides for a base annual salary of \$155,000 and discretionary bonuses. Mr. DeMedio was also granted options to purchase up to 300,000 shares of Common Stock of the Company at \$.20 per share. The options vest ratably over a two-year period and are exercisable at any time during the two-year period following vesting. The agreement requires Mr. DeMedio to devote his full-time and attention to the business and affairs of the Company, and obligates him not to engage in any investments or activities that would compete with the Company during the term of his agreement and for a period of one year thereafter.

Effective April 8, 2005, Mary West Young resigned as Senior Vice President and Chief Financial Officer of the Company. Effective April 12, 2005, the Company appointed David M. DeMedio as Chief Financial Officer.

REPORT OF THE AUDIT COMMITTEE

MEMBERSHIP AND ROLE OF THE AUDIT COMMITTEE

The Audit Committee of the Company's Board of Directors (the "Audit Committee") consists of three outside directors, currently Messrs. Sellers, Van Alen, and Lurio, appointed by the Board of Directors. Each member of the Audit Committee other than Mr. Lurio is independent as defined under the National Association of Securities Dealers' listing standards. The Audit Committee is governed by a written charter adopted and approved by the Board of Directors. The Board of Directors has determined that the Company does not have an audit committee financial expert (as defined under the rules of the Securities and Exchange Commission) serving on its audit committee. Although the Company believes that the current members of the audit committee have sufficient knowledge, background, and experience to fulfill their responsibilities, the Company realizes the importance of having a financial expert serve on its audit committee, and plans to nominate a member to serve in this capacity before June 30, 2006.

REVIEW OF THE COMPANY'S AUDITED FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2005

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended June 30, 2005 with the Company's management. The Audit Committee also discussed with Goldstein Golub Kessler LLP, the Company's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61 'Communication with Audit Committees'. The Audit Committee has also received the written disclosures from Goldstein Golub Kessler LLP relating to their independence as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee has discussed with Goldstein Golub Kessler LLP the independence of that firm. The Audit Committee has also considered whether the provision of non-audit services by Goldstein Golub Kessler LLP is compatible with maintaining Goldstein Golub Kessler LLP's independence.

Based on the Audit Committee's reviews and discussions noted above, the Audit Committee recommended to the Board of Directors that the Company's consolidated audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2005, for filing with the Securities and Exchange Commission.
