PROXY STATEMENT

**ANNUAL MEETING OF SHAREHOLDERS
OF
USA TECHNOLOGIES, INC.**

This proxy statement and accompanying **GOLD** proxy card are being furnished to shareholders of USA Technologies, Inc., a Pennsylvania corporation (“USAT” or the “Company”), by Hudson Executive Capital LP (“Hudson Executive”), HEC Management GP LLC (“HEC Management”), HEC Master Fund LP (“Hudson Master Fund”), HEC SPV IV LP (“SPV IV,” together with Hudson Master Fund, the “HEC Funds”), and Douglas L. Braunstein (Mr. Braunstein, collectively with Hudson Executive, HEC Management and the HEC Funds, “Hudson,” “we,” “our” or “us”) and their nominees listed below in connection with the solicitation of proxies from the holders (the “Shareholders”) of common stock, no par value, of the Company (the “Common Stock”) and Series A convertible preferred stock, no par value, of the Company (the “Series A Preferred Stock”) in connection with the annual meeting of Shareholders scheduled to be held on Thursday, April 30, 2020 (including any and all adjournments, postponements, continuations or reschedulings thereof, or any other meeting of Shareholders held in lieu thereof, the “Annual Meeting”). The Company has not yet announced the time or location of the Annual Meeting and has not yet set a record date for determining Shareholders entitled to notice of and to vote at the Annual Meeting (the “Record Date”).

THIS SOLICITATION IS BEING MADE BY HUDSON AND NOT ON BEHALF OF THE BOARD OF DIRECTORS OF THE COMPANY (THE “BOARD”).

This proxy statement and the accompanying **GOLD** proxy card are first being mailed on or about December 10, 2019 to all holders of shares of Common Stock and Series A Preferred Stock as of the date hereof. We are soliciting your vote because we believe that Lisa P. Baird, Douglas G. Bergeron, Douglas L. Braunstein, Jacob Lamm, Michael K. Passilla, Ellen Richey, Anne M. Smalling, and Shannon S. Warren (collectively, the “Nominees”) would be valuable additions to the Board as they bring a mix of payments, financial services, operational, marketing, capital allocation, and corporate governance expertise that can attract and provide proper oversight of management and help create long-term value for Shareholders.

If elected, the Nominees, subject to their fiduciary duties as directors, currently intend to address a variety of the shortcomings exhibited by the current Board of Directors. These actions include initiating a search process for a new Chief Executive Officer (“CEO”) and Chief Financial Officer (“CFO”) and assisting the new management of the Company to improve operating performance and the control environment. The Nominees’ current intentions also include executing on a plan to expand USAT’s presence in the micropayments market and expanding their geographic reach, renegotiating key supplier contracts, improving operating margins and leading a rigorous control and compliance agenda. We believe that USAT, with new leadership at both the Board and management level, can realize the true potential that Shareholders demand.

[Table of Contents](#)

We believe that the Board and management's actions over the past several years have consistently eroded shareholder value. In our view, the Board's failures are numerous and include the following: 1) failure to impose rigorous controls and oversight; 2) failure to attract and retain strong management and to hold weak management accountable; 3) failure to maintain robust operating performance and make sound capital decisions; 4) failure to maintain strong corporate governance focused on shareholder rights and value; and 5) failure to create an environment for successful performance of the Company's share price. We believe the Board bears ultimate responsibility for these shortcomings, including both the failure to act to address issues in a timely manner as well as the affirmative missteps they have taken to impair shareholder value.

We believe that lack of appropriate controls, oversight and accountability have resulted in significant damage to shareholder value. During the past two years the Company repeatedly failed to file its financial statements on time, which ultimately led to the Company's securities being suspended from trading on Nasdaq. The Company also disclosed numerous accounting control issues, including a series of errors that we believe occurred as the result of improper oversight. In connection with remediating these failures, the Company incurred direct additional expenses of \$15.4 million in fiscal year 2019 and a further \$3.7 million in the first quarter of fiscal year 2020.

The Board's failures to manage its executive talent and appropriately plan for succession represents what we believe is a failure of their oversight responsibilities. It is not surprising that accounting and control issues arose in an environment where the Company employed five different CFOs during the past four years, including the recent resignation of Priyanka Singh on January 7, 2019, just two weeks prior to the Company's audit firm resigning. In Ms. Singh's place the Company appointed its current interim CFO, who has little public company experience and is being paid approximately \$750,000 annually. Stephen Herbert resigned as CEO on October 17, 2019, only after Hudson made public calls to dismiss him based on longstanding failures in performance. The Company's inadequate succession plan led to the appointment of an interim CEO who is not fully dedicated to USAT given numerous other commitments, including a legal practice in Wisconsin. The Company is now paying the interim CEO approximately \$1,000,000 in annualized cash compensation and granted him fully-vested options to purchase up to 225,000 shares at \$7.18 per share. The interim CEO also recently announced he is hiring a Chief of Staff to assist him while the Company also continues to pay consulting fees to the former CEO. The Company had recently added two additional senior management positions: a Chief Operating Officer and a Chief Compliance Officer. This large, expensive, inexperienced and part-time management team is being compensated to manage approximately 120 full time employees.

We believe the Board has also failed to hold management accountable for operating performance and has made significant errors in raising and deploying capital. The Company's operating performance has continued to struggle for the past two years. The Company recently reported that its gross margins declined in fiscal year 2019 and have continued to deteriorate for the first quarter of fiscal year 2020. Selling, general and administrative expenses also increased substantially during this same period, leading to a decline in operating margins for the first quarter of fiscal year 2020. Given all these expenses, we are not surprised that the Company reported a loss of \$7.5 million in Adjusted EBITDA for the quarterly period ended September 30, 2019. Indeed, on the Company's November 12, 2019 earnings call, the new interim management team provided further bad news regarding operating performance, revising guidance downwards for both gross margins and EBITDA margins for fiscal year 2020. The Company's most recent capital raise, selling equity to Antara Capital Master Fund LP ("Antara") at a 27% discount to market and replacing bank debt with 9.75% coupon private debt financing, with no apparent need for the capital of which we are aware, further demonstrates the Board's mismanagement of shareholder resources. We are deeply concerned that the Company's underperformance will continue unless there are significant changes at the Board and management level.

The Board has also taken numerous steps that appear to us to be an effort to disenfranchise Shareholders and entrench themselves to shield the Board from accountability. Following Hudson's announcement of an intention to nominate a slate of highly qualified, independent directors for election at the annual meeting, the Board reversed its policy to split the role of Chairman and CEO a mere 10 months after adopting that position to insure adequate controls. The Board then adopted a shareholder rights plan (also known as a poison pill), which Hudson believes was intended to silence shareholder communications. In addition, the Board approved an amendment to the Company's Amended and

[Table of Contents](#)

Restated Bylaws (as amended, the “Bylaws”) to restrict the ability of Shareholders to call a special meeting while simultaneously inventing new, and what Hudson believes are invalid, reasons for not holding the annual meeting. The Board also approved final terms for the debt financing which included event of default provisions with respect to Board composition that Hudson believes were designed to entrench the Board. Finally, Hudson was forced to file a lawsuit to invalidate that Bylaw amendment. We were pleased that the Court of Common Pleas of Chester County, Pennsylvania (the “Pennsylvania Court”) ordered the Company to hold an annual meeting on or before April 30, 2020 to elect all directors. The Company responded by announcing the Annual Meeting for the last possible date provided by the Pennsylvania Court—a date approximately 2 years since its last annual meeting.

Concurrently with the Company’s accounting, controls, management, performance and governance struggles, the Company’s share price has dropped precipitously. Through December 6, 2019, USAT’s share price has declined by approximately 59% from its high in August 2018, shortly before the accounting issues were disclosed. The S&P 500 has risen by approximately 10% during the same period.

On April 30, 2020, Shareholders will finally have the opportunity to vote on the Board and realize the true potential that Shareholders demand of the Company.

OUR NOMINEES ARE COMMITTED TO ACTING IN THE BEST INTERESTS OF ALL SHAREHOLDERS. WE BELIEVE THAT YOUR VOICE IN THE FUTURE OF USAT CAN BEST BE EXPRESSED THROUGH THE ELECTION OF OUR NOMINEES. ACCORDINGLY, WE URGE YOU TO VOTE YOUR GOLD PROXY CARD “FOR ALL” OF LISA P. BAIRD, DOUGLAS G. BERGERON, DOUGLAS L. BRAUNSTEIN, JACOB LAMM, MICHAEL K. PASSILLA, ELLEN RICHEY, ANNE M. SMALLING, AND SHANNON S. WARREN AS DIRECTORS.

We do not know of any other matters to be presented for approval by the Shareholders at the Annual Meeting other than (i) the election of directors, (ii) the proposal to repeal each provision of or amendment to the Bylaws, adopted without the approval of Shareholders after November 11, 2019 (the date of the last publicly available Bylaws), and through the conclusion of the Annual Meeting (the “Shareholder Proposal”), (iii) the proposal to approve the Rights Agreement, dated as of October 18, 2019, by and between the Company and American Stock Transfer & Trust Company, LLC (the “Rights Agreement”), (iv) the proposal to ratify the appointment of BDO USA, LLP (“BDO”) as the Company’s independent registered public accounting firm for fiscal year ending June 30, 2020, (v) the proposal to approve, on an advisory (non-binding) basis, the compensation of the Company’s named executive officers as disclosed in the Company’s proxy statement for the Annual Meeting, and (vi) the proposal to approve, on an advisory (non-binding) basis, the frequency of future advisory votes on the Company’s executive compensation. If, however, Hudson learns of any other proposals made at a reasonable time before the Annual Meeting, Hudson will supplement this proxy statement and provide Shareholders with an opportunity to vote by proxy directly on such matters. **Hudson is not seeking and will not exercise discretionary authority with respect to your shares on any matter at the Annual Meeting.**

The GOLD proxy card shall be null and void *ab initio* and of no force or effect if it would have the effect of entitling Shareholders of the Company to demand payment for their shares under Subchapter E of Chapter 25 of the Pennsylvania Business Corporation Law or would have the effect of causing Hudson Executive, HEC Management, Hudson Master Fund, SPV IV or Douglas L. Braunstein, or their respective affiliates or associates, to become an “Acquiring Person” for purposes of the Rights Agreement, dated as of October 18, 2019, by and between the Company and American Stock Transfer & Trust Company, LLC.

We believe that substantial change is necessary for the Company to achieve its full potential and that this change must begin at the Board level. To that end, Hudson has nominated a slate of eight highly qualified, independent nominees with a mix of payments, financial services, operational, marketing, capital allocation, and corporate governance expertise that can attract and provide proper oversight of management and help create long-term value for Shareholders. We therefore urge you to support us in this effort by voting “FOR ALL” of the Nominees.

[Table of Contents](#)

We recommend that you vote your shares on the **GOLD** proxy card as follows:

1. **“FOR ALL”** of Lisa P. Baird, Douglas G. Bergeron, Douglas L. Braunstein, Jacob Lamm, Michael K. Passilla, Ellen Richey, Anne M. Smalling, and Shannon S. Warren to serve as directors on the Board until the following annual meeting of Shareholders (including any and all adjournments, postponements, continuations or reschedulings thereof, or any other meeting of Shareholders held in lieu thereof) or until their respective successors are duly elected and qualified;
2. **“FOR”** the repeal of each provision of or amendment to the Bylaws adopted without the approval of Shareholders after November 11, 2019 (the date of the last publicly available Bylaws), and through the conclusion of the Annual Meeting;
3. **“AGAINST”** the proposal to approve the Rights Agreement;
4. **“FOR”** the ratification of the appointment of BDO as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2020;
5. **“AGAINST”** the proposal to approve, on an advisory (non-binding) basis, the compensation of the Company’s named executive officers, as disclosed in the Company’s proxy statement for the Annual Meeting; and
6. for the approval, on an advisory (non-binding) basis, of a frequency of **“ONE YEAR”** for future advisory votes on the Company’s executive compensation.

However, the proxy card can only be voted on the proposals if any such proposal is actually presented at the Annual Meeting. The proposal numbers in this proxy statement may not correspond to the proposal numbers that will be used in the Company’s proxy statement. Certain information in this proxy statement will be updated after the Company’s proxy statement is filed. We anticipate that the Company will disclose that there are nine directors up for election at the Annual Meeting. We are seeking your support to elect our slate of eight Nominees, Lisa P. Baird, Douglas G. Bergeron, Douglas L. Braunstein, Jacob Lamm, Michael K. Passilla, Ellen Richey, Anne M. Smalling, and Shannon S. Warren. As a result, should a Shareholder so authorize us on the **GOLD** proxy card, we would cast votes for our eight Nominees.

The enclosed **GOLD** proxy card may only be voted for our eight Nominees and may not be voted for any of the Company’s director nominees, including any candidate nominated by the Company to fill the vacancy that currently exists on the Board. In the event that a ninth director seat is up for election at the Annual Meeting, Shareholders executing the enclosed **GOLD** proxy card would not be able to vote for such seat.

You can only vote for the Company’s director nominees by signing and returning a proxy card provided by the Company. Shareholders should refer to the Company’s proxy statement, which is expected to be filed with the Securities and Exchange Commission in March 2020, for the names, backgrounds, qualifications and other information concerning the Company’s nominees. If any or all of our Nominees are elected to the Board at the Annual Meeting, any or all of the Company’s nominees may choose not to continue to serve as directors. If all eight of our Nominees are elected, they will constitute a majority of the Board. Shareholders are permitted to vote for less than eight nominees on the **GOLD** proxy card. In the event our Nominees comprise less than a majority of the Board following the Annual Meeting, it is possible that any actions or changes that may be proposed or supported by one or more of our Nominees will not be adopted by a majority of the Board. We believe that the best opportunity for all eight of our Nominees to be elected is voting on the **GOLD** proxy card only for our eight nominees. We therefore encourage Shareholders using our **GOLD** proxy card to vote **“FOR ALL”** eight of our Nominees and not to vote for any of the Company’s nominees.

The principal executive offices of the Company are located at 100 Deerfield Lane, Suite 300, Malvern, PA 19355.

The Company has disclosed that as of September 30, 2019, there were 63,825,304 shares of Common Stock and 445,063 shares of Series A Preferred Stock outstanding. The Company’s proxy statement for the Annual Meeting is expected to provide the current number of shares of Common Stock and Series A Preferred Stock outstanding and

We intend to vote all of the shares of Common Stock that we beneficially own at the Record Date: (i) "**FOR ALL**" of the Nominees; (ii) "**FOR**" the repeal of each provision of or amendment to the Bylaws adopted without the approval of Shareholders after November 11, 2019 (the date of the last publicly available Bylaws), and through the conclusion of the Annual Meeting; (iii) "**AGAINST**" the proposal to approve the Rights Agreement; (iv) "**FOR**" the ratification of the appointment of BDO as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2020; (v) "**AGAINST**" the proposal to approve, on an advisory (non-binding) basis, the compensation of the Company's named executive officers, as disclosed in the Company's proxy statement for the Annual Meeting; and (vi) for the approval, on an advisory (non-binding) basis, of a frequency of "**ONE YEAR**" for future advisory votes on the Company's executive compensation.

REASONS FOR THE SOLICITATION

Hudson Executive and the other participants in this solicitation are the beneficial owners of an aggregate of 10,385,172 shares of Common Stock of the Company, representing approximately 16.3% of the Company's outstanding shares of Common Stock, and making us the Company's largest shareholder.

After over a year of research, we invested in USAT with the belief that we could work collaboratively with the Company to help return it to a strong growth profile, generate free cash flow, and create long-term sustainable value for Shareholders. We believed then, and continue to believe, that the Company has great potential, and we had hoped to work with the Company to unlock that promise. USAT's share price reacted positively following the announcement of our investment in the Company and our desire to assist the Company in reaching its potential. Following the initial disclosure on May 20, 2019 of Hudson's ownership in USAT and prior to its suspension of trading from Nasdaq on September 26, 2019, USAT's share price rose by approximately 40%. However, the Board's repeated actions have prevented us from helping to unlock the Company's promise.

We believe that the Board and management's actions over the past several years have consistently eroded shareholder value. In our view, the Board's failures are numerous and include the following: 1) failure to impose rigorous controls and oversight; 2) failure to attract and retain strong management and to hold weak management accountable; 3) failure to maintain robust operating performance and make sound capital decisions; 4) failure to maintain strong corporate governance focused on shareholder rights and value; and 5) failure to create an environment for successful performance of the Company's share price. We believe the Board bears ultimate responsibility for these shortcomings, including both the failure to act to address issues in a timely manner as well as the affirmative missteps they have taken to impair shareholder value.

We believe that lack of appropriate controls, oversight and accountability have resulted in significant damage to shareholder value. During the past two years the Company repeatedly failed to file its financial statements on time, which ultimately led to the Company's securities being suspended from trading on Nasdaq. The Company also disclosed numerous accounting control issues, including a series of errors that we believe occurred as the result of improper oversight. In connection with remediating these failures, the Company incurred direct additional expenses of \$15.4 million in fiscal year 2019 and a further \$3.7 million in the first quarter of fiscal year 2020.

The Board's failures to manage its executive talent and appropriately plan for succession represents what we believe is a failure of their oversight responsibilities. It is not surprising that accounting and control issues arose in an environment where the Company employed five different CFOs during the past four years, including the recent resignation of Priyanka Singh on January 7, 2019, just two weeks prior to the Company's audit firm resigning. In Ms. Singh's place the Company appointed its current interim CFO, who has little public company experience and is being paid approximately \$750,000 annually. Stephen Herbert resigned as CEO on October 17, 2019, only after Hudson made public calls to dismiss him based on longstanding failures in performance. The Company's inadequate succession plan led to the appointment of an interim CEO who is not fully dedicated to USAT given numerous other commitments, including a legal practice in Wisconsin. The Company is now paying the interim CEO approximately \$1,000,000 in annualized cash compensation and granted him fully-vested options to purchase up to 225,000 shares at \$7.18 per share. The interim CEO also recently announced he is hiring a Chief of Staff to assist him while the Company also continues to pay consulting fees to the former CEO. The Company had recently added two additional senior management positions: a Chief Operating Officer and a Chief Compliance Officer. This large, expensive, inexperienced and part-time management team is being compensated to manage approximately 120 full time employees.

We believe the Board has also failed to hold management accountable for operating performance and has made significant errors in raising and deploying capital. The Company's operating performance has continued to struggle for the past two years. The Company recently reported that its gross margins declined in fiscal year 2019 and have continued to deteriorate for the first quarter of fiscal year 2020. Selling, general and administrative expenses also increased substantially during this same period, leading to a decline in operating margins for the first quarter of fiscal

year 2020. Given all these expenses, we are not surprised that the Company reported a loss of \$7.5 million in Adjusted EBITDA for the quarterly period ended September 30, 2019. Indeed, on the Company's November 12, 2019 earnings call, the new interim management team provided further bad news regarding operating performance, revising guidance downwards for both gross margins and EBITDA margins for fiscal year 2020. The Company's most recent capital raise, selling equity to Antara at a 27% discount to market and replacing bank debt with 9.75% coupon private debt financing, with no apparent need for the capital of which we are aware, further demonstrates the Board's mismanagement of shareholder resources. We are deeply concerned that the Company's underperformance will continue unless there are significant changes at the Board and management level.

The Board has also taken numerous steps that appear to us to be an effort to disenfranchise Shareholders and entrench themselves to shield the Board from accountability. Following Hudson's announcement of an intention to nominate a slate of highly qualified, independent directors for election at the annual meeting, the Board reversed its policy to split the role of Chairman and CEO a mere 10 months after adopting that position to insure adequate controls. The Board then adopted a shareholder rights plan (also known as a poison pill), which Hudson believes was intended to silence shareholder communications. In addition, the Board approved a Bylaw amendment to restrict the ability of Shareholders to call a special meeting while simultaneously inventing new, and what Hudson believes are invalid, reasons for not holding the annual meeting. The Board also approved final terms for the debt financing which included event of default provisions with respect to Board composition that Hudson believes were designed to entrench the Board. Finally, Hudson was forced to file a lawsuit to invalidate that Bylaw amendment. We were pleased that the Pennsylvania Court ordered the Company to hold an annual meeting on or before April 30, 2020 to elect all directors. The Company responded by announcing the Annual Meeting for the last possible date provided by the Pennsylvania Court—a date approximately 2 years since its last annual meeting.

Concurrently with the Company's accounting, controls, management, performance and governance struggles, the Company's share price has dropped precipitously. Through December 6, 2019, USAT's share price has declined by approximately 59% from its high in August 2018, shortly before the accounting issues were disclosed. The S&P 500 has risen by approximately 10% during the same period.

We have therefore come to the conclusion that the Company needs a refreshed Board of highly qualified, independent directors with a mix of payments, financial services, operational, marketing, capital allocation, and corporate governance expertise that can attract and provide proper oversight of management and help create long-term value for Shareholders. Hudson believes the Company is currently undervalued and that the best path forward for Shareholders to realize value on their investment is to elect a new Board that will undertake the actions needed to put the Company on the right track. We are concerned that the current Board lacks the expertise to help implement the needed changes to create long-term value and may seek to avoid addressing these problems by trying to sell the Company at its currently impaired value, and therefore deprive long-term Shareholders of the appropriate value for their stock.

Hudson is therefore nominating eight independent, very accomplished and highly qualified candidates for election to the USAT Board with the expertise necessary to attract and provide proper oversight of management and help create long-term value for Shareholders. Specifically, if elected, the Nominees, subject to their fiduciary duties, currently intend to focus on the following:

1. Hiring a qualified CEO and CFO with relevant industry experience, and whose incentives are more closely aligned with Shareholders;
2. Installing a culture of accelerated and responsible growth in the underserved micropayments marketplace through expansion of adjacent lines of business, an expanded product set and international sales;
3. Renegotiating key supplier contracts, which we believe to be meaningfully off-market, on terms favorable to the Company;

[Table of Contents](#)

4. Bringing discipline to product profitability and generating operating cash flow by focusing on growth and controlling the Company's expenses;
5. Optimizing the capital structure; and
6. Restoring credibility through strong governance, effective controls, and creating long-term value for Shareholders.

The Annual Meeting finally provides Shareholders with the right to elect a new Board that can realize the true potential that Shareholders demand.

BACKGROUND TO THIS SOLICITATION

Hudson Executive is an investment firm that primarily seeks to identify value-oriented opportunities in the small and mid-cap U.S. public markets and to actively engage with management, boards and shareholders of portfolio companies. Hudson invested in the Company with the belief that it could work collaboratively with the Company to help return it to a strong growth profile, generate free cash flow, and create long-term sustainable value for Shareholders. In early discussions, the Board and management both said they were pleased Hudson chose to invest in the Company, and that they welcomed Hudson's active participation. It was in that spirit that Hudson repeatedly endeavored to engage with the Board over the past 10 months.

The Company last held its annual meeting of Shareholders on April 26, 2018.

The following is a description of the events and circumstances, including contacts that we have had with representatives of the Company, leading up to this proxy solicitation. With the benefit of hindsight, we believe that the Company delayed, deferred or rejected our suggestions and did not consider in good faith our efforts to assist the Company, to the detriment of all Shareholders.

- On September 11, 2018, the Company issued a press release announcing that it will not file its Annual Report on Form 10-K for the fiscal year ended June 30, 2018 (the "Annual Report") by the September 13, 2018 due date.
- On October 2, 2018, the Company received a notice (the "Original Notice") from The Nasdaq Stock Market LLC ("Nasdaq") stating that the Company was not in compliance with Nasdaq Listing Rule 5250(c)(1) (the "Listing Rule") because the Company had not timely filed its Annual Report. The Listing Rule requires listed companies to timely file all required periodic financial reports with the Securities and Exchange Commission (the "SEC"). Pursuant to the Original Notice, on October 30, 2018, the Company submitted to Nasdaq a plan to regain compliance (the "Compliance Plan"), and Nasdaq accepted the Compliance Plan and granted an exception pursuant to which the Company was required to file the Annual Report and the Quarterly Report with the SEC on or before March 12, 2019.
- On November 14, 2018, the Company received a notice (the "Notice") from Nasdaq stating that because the Company had not yet filed its Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2018 (the "First Quarterly Report"), the Company was again not in compliance with the Listing Rule. The Notice also required the Company to submit to Nasdaq an update to its Compliance Plan by no later than December 3, 2018—which the Company did on December 3, 2018.
- On January 7, 2019, Priyanka Singh resigned as Chief Financial Officer of the Company.
- On January 14, 2019, the Company disclosed the principal findings of the investigation of the Audit Committee of the Board (the "Audit Committee") that focused principally on certain customer transactions entered into by the Company during fiscal years 2017 and 2018. In addition, the Audit Committee recommended, and the Board determined to implement splitting of the roles of Chairman and Chief Executive Officer, creation of a new Compliance Committee, creation of a new Chief Compliance Officer role, and creation of a new Chief Operating Officer role. The Board appointed Albin Moschner as non-executive Chairman and also authorized the Nominating and Corporate Governance Committee to commence a search to identify two additional independent directors to join the Board.

The notice stated that the Staff had determined that the Company would not be in a position to file all required periodic financial reports with the SEC by the March 12, 2019 deadline previously granted by the Staff. The Company filed a timely appeal with the Panel which automatically stayed the delisting until March 20, 2019. In accordance with applicable rules, the Company also requested that the Panel further stay the delisting pending the hearing. On March 5, 2019, the Company received a letter from Nasdaq scheduling an oral hearing before the Panel for April 11, 2019, and indicating that the Panel would notify the Company by no later than March 20, 2019 whether it had granted a further stay pending the hearing.
- On March 12, 2019, Messrs. Braunstein, Conn and Harris met with Messrs. Herbert, Moschner and Joel Brooks, a member of the Board at Hudson's New York City office. Hudson had publicly filed its first Schedule 13D with the SEC several months earlier.
- On October 18, 2019, Hudson issued a press release which responded to the announcement of Mr. Herbert's resignation and stated that a shareholder meeting must be called at the earliest practicable date.

- On October 18, 2019, Hudson Master Fund delivered to the Company evidence of its ownership of record of the Company's Common Stock and a demand under Section 1508 of the Pennsylvania Business Corporation Law (the "Second Demand Letter").

However, the Company did not believe that Hudson Master Fund was entitled to the other stocklist materials requested and did not intend to provide them.
- On November 1, 2019, the Company announced that it had entered into a financing agreement (the "Financing Agreement") with Antara, as the lender, and Cortland Capital Market Services LLC, as the administrative agent and collateral agent. Pursuant to the Financing Agreement, the Company borrowed \$15 million on November 1, 2019 and, subject to the terms of the Financing Agreement, may borrow the remaining \$15 million in one draw at any time during the period commencing on July 31, 2020 and terminating on April 30, 2021. Amongst other provisions, the Company agreed to a provision that a change in the majority of Board members as of October 31, 2019 would be an event of default. Upon an event of default, Antara may, in its discretion, declare all of the outstanding principal and unpaid interest due under the loan to be immediately due and payable, and exercise any other rights provided for it under the loan. Hudson believes this provision, in the face of Hudson's announced intention to run a proxy contest, to be another example of the Board taking measures to entrench itself. Nevertheless, Hudson believes there are numerous alternatives to protect the Company and its Shareholders from the Board's actions on this matter.
- On November 4, 2019, Hudson issued a press release announcing that it intends to nominate eight highly qualified, independent director candidates for election to the Board at the Company's annual meeting of Shareholders. - On November 12, 2019, the Company announced that the Board had appointed Mr. Layden as Executive Chairman of the Board, Mr. Schoch as the lead independent director, and that Mr. Moschner had retired from the Board effective November 8, 2019. In addition, the amended non-disclosure agreement removed certain restrictions on the ability of Antara to enter into discussions with third parties regarding the Company.
- On November 15, 2019, Hudson filed with the SEC a Definitive Solicitation Statement for the purpose of soliciting revocable consents from Shareholders of the Company to request a special meeting of Shareholders to consider certain amendments to the Bylaws. In its lawsuit, Hudson asked the Pennsylvania Court to (i) declare that the Retroactive Bylaw Amendment is invalid, (ii) enjoin the Board from enforcing the Retroactive Bylaw Amendment, and (iii) declare that Hudson's consent solicitation can proceed without further interference.

As a result of the Pennsylvania Court's order, which was consented to by USAT and Hudson following oral arguments, Hudson suspended its solicitation of revocable consents to request a special meeting of the Company's Shareholders because the annual meeting would give Shareholders an opportunity to vote on the Board sooner.

QUESTIONS AND ANSWERS RELATING TO THIS PROXY SOLICITATION

The following are some of the questions you may have as a Shareholder, as well as the answers to those questions. The following is not a substitute for the information contained in this proxy statement, and the information contained below is qualified in its entirety by the more detailed descriptions and explanations contained elsewhere in this proxy statement. We urge you to read this proxy statement carefully and in its entirety.

Who is making this solicitation?

The solicitation for election of the Nominees and the other proposals described in this proxy statement at the Annual Meeting is being made by Hudson. More information regarding Hudson and the other participants in this solicitation is set forth in the section of this proxy statement titled “Certain Information Regarding the Participants.”

What are we asking you to vote for?

We are asking you to vote on the **GOLD** proxy card at the Annual Meeting as follows:

1. **“FOR ALL”** of Lisa P. Baird, Douglas G. Bergeron, Douglas L. Braunstein, Jacob Lamm, Michael K. Passilla, Ellen Richey, Anne M. Smalling, and Shannon S. Warren to serve as directors on the Board until the following annual meeting of Shareholders (including any and all adjournments, postponements, continuations or reschedulings thereof, or any other meeting of Shareholders held in lieu thereof) or until their respective successors are duly elected and qualified;
2. **“FOR”** the repeal of each provision of or amendment to the Bylaws adopted without the approval of Shareholders after November 11, 2019 (the date of the last publicly available Bylaws), and through the conclusion of the Annual Meeting;
3. **“AGAINST”** the proposal to approve the Rights Agreement;
4. **“FOR”** the ratification of the appointment of BDO as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2020;
5. **“AGAINST”** the proposal to approve, on an advisory (non-binding) basis, the compensation of the Company’s named executive officers as disclosed in the Company’s proxy statement for the Annual Meeting; and
6. for the approval, on an advisory (non-binding) basis, of a frequency of **“ONE YEAR”** for future advisory votes on the Company’s executive compensation.

However, the **GOLD** proxy card can only be voted on the proposals if any such proposal is actually presented at the Annual Meeting.

Why are we soliciting your vote?

Shareholders have not had the opportunity to vote on the Company’s directors since the last annual meeting held on April 26, 2018.

We believe that the Board and management’s actions over the past several years have consistently eroded shareholder value. In our view, the Board’s failures are numerous and include the following: 1) failure to impose rigorous controls and oversight; 2) failure to attract and retain strong management and to hold weak management accountable; 3) failure to maintain robust operating performance and make sound capital decisions; 4) failure to maintain strong corporate governance focused on shareholder rights and value; and 5) failure to create an environment for successful performance of the Company’s share price. We believe the Board bears ultimate responsibility for these shortcomings, including both the failure to act to address issues in a timely manner as well as the affirmative missteps they have taken to impair shareholder value.

Table of Contents

The Board has also taken numerous steps that appear to us to be an effort to disenfranchise Shareholders and entrench themselves to shield the Board from accountability. Following Hudson's announcement of an intention to nominate a slate of highly qualified, independent directors for election at the annual meeting, the Board reversed its policy to split the role of Chairman and CEO a mere 10 months after adopting that position to insure adequate controls. The Board then adopted a shareholder rights plan (also known as a poison pill), which Hudson believes was intended to silence shareholder communications. In addition, the Board approved a Bylaw amendment to restrict the ability of Shareholders to call a special meeting while simultaneously inventing new, and what Hudson believes are invalid, reasons for not holding the annual meeting. The Board also approved final terms for the debt financing which included event of default provisions with respect to Board composition that Hudson believes were designed to entrench the Board. Finally, Hudson was forced to file a lawsuit to invalidate that Bylaw amendment. We were pleased that the Pennsylvania Court ordered the Company to hold an annual meeting on or before April 30, 2020 to elect all directors. The Company responded by announcing the Annual Meeting for the last possible date provided by the Pennsylvania Court—a date approximately 2 years since its last annual meeting.

On April 30, 2020, Shareholders will finally have the opportunity to vote on the Board and realize the true potential that Shareholders demand of the Company.

Who are the Nominees?

We are proposing that Lisa P. Baird, Douglas G. Bergeron, Douglas L. Braunstein, Jacob Lamm, Michael K. Passilla, Ellen Richey, Anne M. Smalling and Shannon S. Warren be elected as directors of the Company at the Annual Meeting.

Set forth below is (a) the name, age, any position and office with the Company held by each such Nominee, and the term thereof, business experience during the past five years (including principal occupation and employment during the past five years, the name and principal business of any corporation or other organization in which such occupation or employment was carried on; and whether such corporation or organization is a parent, subsidiary or other affiliate of the Company), a brief discussion of the specific experience, qualifications, attributes or skills that led to the conclusion that the Nominee should serve as a director for the Company as of the date hereof, in light of the Company's business and structure (including such material information beyond the past five years and information on the Nominee's particular area of expertise or other relevant qualifications), and (b) any directorships held by such person during the past five years in any company with a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or subject to the requirements of Section 15(d) of the Exchange Act or any company registered as an investment company under the Investment Company Act of 1940, as amended.

As of the date of this proxy statement, the Board consists of eight directors and one vacancy. This proxy statement is soliciting proxies to elect Lisa P. Baird, Douglas G. Bergeron, Douglas L. Braunstein, Jacob Lamm, Michael K. Passilla, Ellen Richey, Anne M. Smalling and Shannon S. Warren. As a result, should a Shareholder so authorize us on the **GOLD** proxy card, we would cast votes for our eight Nominees.

The enclosed **GOLD** proxy card may only be voted for our eight Nominees and may not be voted for any of the Company's director nominees, including any candidate nominated by the Company to fill the vacancy that currently exists on the Board. In the event that a ninth director seat is up for election at the Annual Meeting, Shareholders executing the enclosed **GOLD** proxy card would not be able to vote for such seat. You can only vote for the Company's director nominees by executing and returning a proxy card provided by the Company. Shareholders should refer to the Company's proxy statement, which is expected to be filed with the Securities and Exchange Commission in March 2020, for the names, backgrounds, qualifications and other information concerning the Company's nominees. If any or all of our Nominees are elected to the Board at the Annual Meeting, any or all of the Company's nominees may choose not to continue to serve as directors. In the event our Nominees comprise less than a majority of the Board following the Annual Meeting, it is possible that any actions or changes that may be proposed or supported by one or more of our Nominees will not be adopted by a majority of the Board.

Is Hudson trying to "seize control" of the Company?

No. Hudson is nominating eight independent, very accomplished and highly qualified candidates for election to the USAT Board with the expertise necessary to attract and provide proper oversight of management and help create long-term value for Shareholders. On more than one occasion, the Company has misleadingly characterized Hudson's solicitation as an attempt to "seize control" of the Company. Hudson has not paid any of the candidates in connection with their intended nomination and there are no agreements, arrangements or understandings with respect to any decisions they would make as directors if elected. All eight of the Hudson candidates are independent of USAT and all but one of them has no material connection to Hudson. Five of the eight candidates have no connection to Hudson whatsoever. Of the three with such connections, only Douglas L. Braunstein, the Founder and Managing Partner of

[Table of Contents](#)

Hudson Executive, has a material connection to Hudson. Douglas G. Bergeron and Anne M. Smalling are passive investors (and in Mr. Bergeron's case, also an advisor to Hudson) with no management or investment authority. Mr. Bergeron and Ms. Smalling would offer tremendous experience and expertise to the USAT Board. Mr. Bergeron grew VeriFone Systems, Inc. into a multi-national company with an enterprise value exceeding \$4 billion and Ms. Smalling, as President and Managing Partner of HMI, provides operational experience and expertise in strategic planning and financing in a broad range of industries.

As an apparent attempt to justify its misleading statement that Hudson is attempting to "seize control," USAT has publicly stated that three of the candidates formerly worked at JPMorgan Chase & Co. ("JPM"), where Mr. Braunstein served in a number of roles including Chief Financial Officer, Vice Chairman and Head of JPM's Americas Investment Banking and Global M&A departments. Ms. Warren was the Chief Control Officer of JPM, and in that role established the Oversight and Control function for the identification and management of operational risk in all products and services offered by JPM. Mr. Passilla was Vice Chairman at Chase Merchant Services, the global payment processing division of JPM. All three of these candidates were seasoned and successful executives at an organization well known for its executive talent. These three candidates, as well as the other five candidates, offer tremendous experience and expertise. A statement that these two additional candidates are somehow beholden to Hudson or Mr. Braunstein solely because they worked at JPM, which has over 250,000 employees, is wholly without merit and ignores the value they offer to USAT.

To be clear, Hudson is not seeking to acquire the Company, nor are we seeking to acquire control of the Company. Instead, Hudson's sole interest is in electing a Board with the qualifications and ability to facilitate necessary and meaningful changes in order to create long-term value for Shareholders. The election of the Nominees will not result in Hudson acquiring control of the Company.

What would the effects be to the Company if Shareholders act to elect the Nominees as a majority of the members of the Board?

Based on a review of the Company's agreements that it has publicly filed with the SEC, it is possible that if Shareholders act to elect the Nominees as a majority of the members of the Board, then such election could have certain effects under the Company's agreements. A discussion of these effects is set forth in the section of this proxy statement titled "Certain Effects Related to This Solicitation."

Who can vote at the Annual Meeting?

The Record Date for determining Shareholders entitled to notice of, or to vote at, the Annual Meeting may be fixed by the Board. Such record date shall be not more than 90 days prior to the date of the Annual Meeting. If not fixed by the Board, the Record Date shall be at the close of business on the day next preceding the day on which notice is given or, if notice is waived, at the close of business on the day immediately preceding the day on which the meeting is held.

Only holders of Common Stock or Series A Preferred Stock of record at the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Based on the Company's Form 10-K for the fiscal year ended June 30, 2019, each share of Common Stock is entitled to one vote and each share of Series A Preferred Stock is entitled to 0.1988 of a vote on all matters to come before the Annual Meeting, with any fractional vote being rounded to the nearest whole number. The number of votes to which each share of Series A Preferred Stock is entitled is equal to the votes attributable to that number of shares of Common Stock into which each share of Series A Preferred Stock is convertible. The voting rights of the Series A Preferred Stock are subject to adjustment based upon the occurrence of certain events. As of the date of this Proxy Statement, the Company has not disclosed any such adjustments to the Series A Preferred Stock since June 30, 2019.

As of the date of this proxy statement, the Company has not announced the Record Date. Shareholders who sell their shares before the Record Date (or acquire them after the Record Date) may not vote such shares. Shareholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell their shares after the Record Date.

How do proxies work?

We are asking you to appoint Douglas L. Braunstein, Scott S. Winter and Richard M. Brand as your proxy holders to vote your shares of Common Stock and Series A Preferred Stock at the Annual Meeting. You make this appointment by voting the enclosed **GOLD** proxy card. Giving us your proxy means you authorize the proxy holders to act as your agent to vote your shares of Common Stock and Series A Preferred Stock at the Annual Meeting according to the directions you provide. As your agent, we are required to carry out your voting instructions exactly as you indicate on the **GOLD** proxy card. Giving us your proxy will not give us beneficial ownership of your shares, nor will it allow us to have voting power over your shares. Instead, it will authorize us to vote your shares at the Annual Meeting as your agent, in the manner you direct. We are not seeking and will not exercise discretionary authority with respect to your shares on any matter at the Annual Meeting.

Except as set forth in this proxy statement, we do not know of any other matters to be presented for approval by the Shareholders at the Annual Meeting.

The GOLD proxy card shall be null and void *ab initio* and of no force or effect if it would have the effect of entitling Shareholders of the Company to demand payment for their shares under Subchapter E of Chapter 25 of the Pennsylvania Business Corporation Law or would have the effect of causing Hudson Executive, HEC Management, Hudson Master Fund, SPV IV or Douglas L. Braunstein, or their respective affiliates or associates, to become an “Acquiring Person” for purposes of the Rights Agreement, dated as of October 18, 2019, by and between the Company and American Stock Transfer & Trust Company, LLC.

What is the quorum requirement for the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast on a particular matter by the Shareholders at the Annual Meeting is necessary to constitute a quorum for purposes of consideration and action on the matter. Votes withheld from director nominees and abstentions on the other proposals to be considered at the Annual Meeting will be counted in determining whether a quorum has been reached, but the failure to execute and return a proxy will result in a Shareholder not being considered present at the meeting. Broker non-votes will be counted as present for purposes of determining the existence of a quorum. The holders of the Common Stock and Series A Preferred Stock vote together and not as separate classes.

What is the effect of an abstain vote?

If you abstain from voting on any of the proposals, your shares will be counted as present and entitled to vote on that matter for purposes of establishing a quorum, but will not be counted for purposes of determining the number of votes cast. As a result, abstentions will not have any effect on the outcome of any of the proposals.

What is a broker non-vote?

A “broker non-vote” occurs when a broker or other nominee who holds shares of Common Stock or Series A Preferred Stock for a beneficial owner withholds its vote on a particular proposal with respect to which it does not have discretionary voting power or instructions from the beneficial owner. Ordinarily, if you are a beneficial owner of shares of Common Stock or Series A Preferred Stock and the organization holding your account does not receive instructions from you as to how to vote those shares, under the rules of various national and regional securities exchanges, that organization may exercise discretionary authority to vote on “routine” proposals (which typically include ratification of the selection of auditors and ratification of compensation plans) but may not vote on “non-routine” proposals. However, under the current circumstances of a contested election, none of the proposals are considered “routine” and, accordingly, if you are a beneficial owner holding shares of Common Stock or Series A Preferred Stock through a broker and we have provided our solicitation materials to you with respect to such shares, your broker is not permitted to vote your shares of Common Stock or Series A Preferred Stock on any proposal without receiving instructions from you.

Broker non-votes will be counted as present for purposes of determining the existence of a quorum but broker non-votes will not have any effect on the outcome of any of the proposals.

What vote is required to elect the Nominees?

Under the Bylaws, the nine nominees with the highest number of votes shall be elected directors (meaning, assuming that the Board remains the same size as it is currently, those nine director nominees receiving the greatest number of votes cast “FOR” shall be elected). Shareholders do not have the right to cumulate their votes in the election of directors. This proxy statement is soliciting proxies to elect only the eight Nominees. If you vote on the **GOLD** proxy card, you will be able to vote for our eight Nominees at the Annual Meeting but will not be able to vote for any of the Company’s director nominees, including any candidate nominated by the Company to fill the vacancy that currently exists on the Board. In the event that a ninth director seat is up for election at the Annual Meeting, Shareholders executing the enclosed **GOLD** proxy card would not be able to vote for such seat.

How many shares of Common Stock and Series A Preferred Stock must be voted in favor of the other proposals described in this proxy statement?

The affirmative vote of a majority of the votes cast by the holders of the issued and outstanding shares of Common Stock and Series A Preferred Stock voting together is required to approve the Shareholder Proposal.

The affirmative vote of a majority of the votes cast by the holders of the issued and outstanding shares of Common Stock and Series A Preferred Stock voting together is required to approve the Rights Agreement.

The ratification of the appointment of BDO as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2020 will require the affirmative vote of a majority of the votes cast by the holders of the issued and outstanding shares of Common Stock and Series A Preferred Stock voting together.

The affirmative vote of a majority of the votes cast by the holders of the issued and outstanding shares of Common Stock and Series A Preferred Stock voting together is required to approve, on an advisory (non-binding) basis, the compensation of the Company’s named executive officers.

For the advisory vote on named executive officer compensation, the frequency -“1 Year,” “2 Years” or “3 Years”- receiving the highest number of affirmative votes cast by the holders of the issued and outstanding shares of Common Stock and Series A Preferred Stock voting together will be determined to be the preferred frequency of holding future votes regarding the compensation of the Company’s named executive officers.

Abstentions and broker non-votes will not have any effect on the outcome of any of the proposals.

If other matters are properly brought before the Annual Meeting, the vote required will be determined in accordance with applicable law, the listing standards and rules of Nasdaq, the Company’s Amended and Restated Articles of Incorporation (as amended, the “Charter”) and Bylaws, as applicable. Hudson is not seeking and will not exercise discretionary authority with respect to your shares on any matter at the Annual Meeting.

What should I do in order to vote for the Nominees and the Shareholder Proposal?

If your shares of Common Stock or Series A Preferred Stock are held of record in your own name, please authorize a proxy to vote on your behalf by marking, signing, dating and returning the enclosed **GOLD** proxy card in the postage-paid envelope provided or by instructing us by telephone or via the Internet as to how you would like your shares of Common Stock or Series A Preferred Stock voted (instructions are on your **GOLD** proxy card).

If you hold your shares of Common Stock or Series A Preferred Stock in “street name” with a bank, brokerage firm, dealer, trust company or other institution or nominee, only they can exercise your right to vote with respect to your shares of Common Stock or Series A Preferred Stock and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your bank, brokerage firm, dealer, trust company or other institution or nominee to ensure that a **GOLD** proxy card is submitted on your behalf. Please follow the instructions to authorize a proxy to vote provided on the enclosed **GOLD** voting instruction form. If your bank, brokerage firm, dealer, trust company or other nominee provides for voting instructions to be delivered to them by Internet or telephone, instructions will be included on the enclosed **GOLD** voting instruction form.

YOUR VOTE IS VERY IMPORTANT. If you do not plan to attend the Annual Meeting, please sign, date and return your completed **GOLD** proxy card prior to the Annual Meeting so that your shares of Common Stock and Series A Preferred Stock will be represented and voted in accordance with your instructions. Even if you plan to attend the Annual Meeting in person, we recommend that you authorize a proxy to vote your shares of Common Stock and Series A Preferred Stock in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

Can I use the **GOLD proxy card to vote for any of the Company’s nominees?**

No. This proxy statement is soliciting proxies to elect Lisa P. Baird, Douglas G. Bergeron, Douglas L. Braunstein, Jacob Lamm, Michael K. Passilla, Ellen Richey, Anne M. Smalling and Shannon S. Warren. As a result, should a Shareholder so authorize us on the **GOLD** proxy card, we would cast votes for our eight Nominees. If you vote on the **GOLD** proxy card, you will be able to vote for our eight Nominees at the Annual Meeting but will not be able to vote for any of the Company’s director nominees, including any candidate nominated by the Company to fill the vacancy that currently exists on the Board. In the event that a ninth director seat is up for election at the Annual Meeting, Shareholders executing the enclosed **GOLD** proxy card would not be able to vote for such seat. You can only vote for the Company’s director nominees by executing and returning a proxy card provided by the Company. Shareholders should refer to the Company’s proxy statement, which is expected to be filed with the Securities and Exchange Commission in March 2020, for the names, backgrounds, qualifications and other information concerning the Company’s nominees.

How do I revoke a proxy?

Any Shareholder has the power to revoke a previously submitted proxy at any time before it is exercised even if you submitted a proxy card or form sent to you by the Company. If you are a holder of record of shares of Common Stock or Series A Preferred Stock, you may revoke a previously submitted proxy by:

- signing, dating and returning the enclosed **GOLD** proxy card or any other later-dated proxy in the postage-paid envelope provided;
- casting a new vote on the Internet or telephone;
- delivering to the Secretary or any other officer of the Company a written notice of revocation at USA Technologies, Inc., 100 Deerfield Lane, Suite 300, Malvern, PA 19355; or
- attending the Annual Meeting and voting in person.

Please note, however, that only your last-dated proxy will count. Any proxy may be revoked at any time prior to its exercise at the Annual Meeting as described in this proxy statement. Attending the Annual Meeting alone without taking one of the actions set forth above will not revoke your proxy. Under Pennsylvania law, the proxy you grant us by delivering the **GOLD** proxy card is valid for 3 years from the date it is signed (unless you revoke it before then).

Shareholders who hold their shares of Common Stock or Series A Preferred Stock in “street name” with a bank, brokerage firm, dealer, trust company or other institution or nominee will need to notify the person responsible for their account to revoke or withdraw previously given voting instructions. You may also provide your bank, broker or other nominee with new voting instructions. Only your latest dated voting instructions will count. Unless revoked in the manner set forth above and subject to the foregoing, duly authorized proxies in the form enclosed will be voted at the Annual Meeting in accordance with your instructions. We request that a copy of any revocation sent to the Company or any revocation notification sent to the person responsible for a bank or brokerage account also be sent to us, at c/o Innisfree M&A Incorporated, 501 Madison Avenue, 20th Floor, New York NY 10022, so that we may be aware of any revocation of a proxy.

PLEASE DO NOT RETURN ANY WHITE PROXY CARD YOU MAY RECEIVE FROM THE COMPANY OR OTHERWISE AUTHORIZE A PROXY TO VOTE YOUR SHARES OF COMMON STOCK OR SERIES A PREFERRED STOCK AT THE ANNUAL MEETING, NOT EVEN AS A PROTEST VOTE. IF YOU HAVE

[Table of Contents](#)

ALREADY SENT A PROXY CARD TO THE COMPANY OR OTHERWISE AUTHORIZED A PROXY TO VOTE YOUR SHARES OF COMMON STOCK OR SERIES A PREFERRED STOCK AT THE ANNUAL MEETING, IT IS NOT TOO LATE TO CHANGE YOUR VOTE. TO REVOKE YOUR PRIOR PROXY AND CHANGE YOUR VOTE, SIMPLY SIGN AND RETURN THE ENCLOSED **GOLD** PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED. ONLY YOUR LATEST DATED PROXY WILL BE COUNTED.

Who is paying for the solicitation on behalf of Hudson?

The expenses related directly to this proxy solicitation will be borne by Hudson Executive and Hudson Executive will seek reimbursement of these costs from the Company.

Whom should I call if I have any questions about the solicitation?

If you have any questions, or need assistance in voting your shares of Common Stock or Series A Preferred Stock, please call our proxy solicitor, Innisfree. Shareholders call toll free at 1-888-750-5834, banks and brokers call collect at 1-212-750-5833.

YOUR VOTE IS IMPORTANT, NO MATTER HOW FEW SHARES OF COMMON STOCK OR SERIES A PREFERRED STOCK YOU OWN. WE URGE YOU TO SIGN, DATE, AND RETURN THE ENCLOSED GOLD PROXY CARD TODAY TO VOTE “FOR ALL” OF THE NOMINEES AND “FOR” THE REPEAL OF ANY PROVISION OF OR AMENDMENT TO THE BYLAWS ADOPTED WITHOUT SHAREHOLDER APPROVAL AFTER NOVEMBER 11, 2019 (THE DATE OF THE LAST PUBLICLY AVAILABLE BYLAWS), AND THROUGH THE CONCLUSION OF THE ANNUAL MEETING.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting:

The proxy materials are available at no charge at <http://www.innisfreema.com/annual/USAT/>.

PROPOSAL NO. 1—ELECTION OF NOMINEES

We propose that the Shareholders elect Lisa P. Baird, Douglas G. Bergeron, Douglas L. Braunstein, Jacob Lamm, Michael K. Passilla, Ellen Richey, Anne M. Smalling, and Shannon S. Warren as directors of the Company at the Annual Meeting. Hudson intends to formally deliver notice to the Company of its intention to nominate pursuant to the Bylaws during the timeframe required for delivery of such notice under the Bylaws. Based on publicly available information, the Board consists of eight directors and one vacancy.

The initial term of each Nominee, if elected, would be until the following annual meeting of Shareholders (including any and all adjournments, postponements, continuations or reschedulings thereof, or any other meeting of Shareholders held in lieu thereof) or until their successors are duly elected and qualified in accordance with the Bylaws. Each Nominee has executed a consent to being named as a nominee in this proxy statement as such and to serving as a director of the Company, if so elected.

This proxy statement is soliciting proxies to elect Lisa P. Baird, Douglas G. Bergeron, Douglas L. Braunstein, Jacob Lamm, Michael K. Passilla, Ellen Richey, Anne M. Smalling, and Shannon S. Warren. Therefore, should a Shareholder so authorize us, we will cast votes for the eight Nominees. If any or all of our Nominees are elected to the Board at the Annual Meeting, any or all of the Company's nominees may choose not to continue to serve as directors. In the event our Nominees comprise less than a majority of the Board following the Annual Meeting, it is possible that any actions or changes that may be proposed or supported by one or more of our Nominees will not be adopted by a majority of the Board.

Each Nominee named herein is independent under the Board's independence guidelines, the applicable rules of Nasdaq, and the independence standards applicable to the Company under paragraph (a)(1) of Item 407 of Regulation S-K under the Exchange Act. The Company's independence standards can be found in its corporate governance guidelines, available at: <https://usatechnologiesinc.gcs-web.com/static-files/87d60b82-56d5-4beb-b9a4-2bc560cd04e7>.

In addition, each of the Nominees understands that, if elected as a director of the Company, each Nominee would have an obligation to act in the best interests of the Company and the Shareholders in accordance with his or her duties as a director.

Hudson does not expect that the Nominees will be unable to stand for election. If any Nominee is unable to serve or for good cause will not serve, Hudson may seek to replace such Nominee with a substitute nominee to the extent substitution is permissible under applicable law and the Company's organizational documents.

Under the Bylaws, the nine nominees with the highest number of votes shall be elected directors (meaning, assuming that the Board remains the same size as it is currently, those nine director nominees receiving the greatest number of votes cast "FOR" shall be elected). Shareholders do not have the right to cumulate their votes in the election of directors. This proxy statement is soliciting proxies to elect only the eight Nominees. If you vote on the **GOLD** proxy card, you will be able to vote for our eight Nominees at the Annual Meeting but will not be able to vote for any of the Company's director nominees, including any candidate nominated by the Company to fill the vacancy that currently exists on the Board. In the event that a ninth director seat is up for election at the Annual Meeting, Shareholders executing the enclosed **GOLD** proxy card would not be able to vote for such seat.

Hudson reserves the right to nominate additional persons, to the extent this is not prohibited under applicable law or the Company's organizational documents, if the Company purports to increase the number of directorships, and/or the Company takes or announces any other action that purports to have, or if consummated would purport to have, the effect of disqualifying any of the Nominees or any additional nominee nominated pursuant to the foregoing, and/or any Nominee is unable to serve or for good cause will not serve. Additional nominations made pursuant to the foregoing are without prejudice to the position of Hudson that any attempt to change the size of the Board or disqualify any of the Nominees would constitute unlawful manipulation of the Company's corporate governance. Hudson reserves the right to nominate more than eight of the Nominees in the event the size of the Board increases. Hudson reserves the right to nominate less than eight of the Nominees in the event the size of the Board decreases. Hudson also reserves the right to challenge any action by the Company that has, or if consummated would have, the effect of disqualifying any

Nominee. If Hudson is permitted to substitute a nominee or propose an additional nominee, or determines to nominate less than eight of the Nominees, Hudson will file and deliver supplemental proxy materials, including a revised proxy card, disclosing the information relating to any substitute nominee or additional nominee or reduced slate of nominees, that is required to be disclosed in solicitations for proxies for election of directors pursuant to Section 14 of the Exchange Act.

Information Regarding the Nominees

Information pertaining to the Nominees, including the name, age, present principal occupation, business address, and business experience for the past five years and certain other information, is set forth in the question and answer section of the proxy statement under the section entitled “Who are the Nominees?”, which we urge you to read. This information has been furnished to us by the Nominees. Other than as disclosed in this proxy statement, there is no arrangement or understanding between any of the Nominees and any other person(s) pursuant to which any such Nominee was or is to be selected as a director or nominee of the Company.

There exist no family relationships between any Nominee and any director or executive officer of the Company.

You should refer to the Company’s proxy statement for the Annual Meeting for the names, background, qualifications and other information concerning the Company’s nominees.

Arrangements between Hudson and the Nominees

In connection with the Nomination, Hudson Executive has entered into an Indemnification Agreement with each of the Nominees (the “Nominee Indemnification Agreements” and each a “Nominee Indemnification Agreement”), pursuant to which each Nominee has agreed, among other things, to be a member of Hudson’s slate of nominees (the “Slate”) to be proposed by Hudson for election to the Board and to be named in Hudson’s proxy soliciting materials related to the Annual Meeting and to serve as a director of the Company if elected. Pursuant to the Nominee Indemnification Agreements, Hudson Executive has agreed to indemnify each Nominee against any losses suffered, incurred or sustained by such Nominee in connection with such Nominee’s being a member of the Slate or the solicitation of proxies in connection therewith. Hudson Executive has further agreed to reimburse each Nominee for reasonable, documented, out-of-pocket expenses incurred as a result of such Nominee’s being a member of the Slate, including, without limitation, travel expenses and expenses in connection with legal counsel retained to represent such Nominee in connection with being a member of the Slate.

Other than as set forth herein, no participant in this solicitation and no associate of any participant in this solicitation has any arrangements or understandings with any person or persons with respect to any future employment by the Company or its affiliates or with respect to any future transactions to which the Company or any of its affiliates will or may be a party.

Compensation of the Company’s Directors

Hudson will not compensate the Nominees in connection with their nomination. If elected, the Nominees will be entitled to such compensation from the Company as may be determined by the Company for non-employee directors, and which is described in the Company’s Definitive Proxy Statement on Schedule 14A, as filed with the SEC on April 2, 2018 for its 2018 annual meeting and that may be described in the Company’s proxy statement for the Annual Meeting. We expect that, if elected, the Nominees will be indemnified for service as a director of the Company to the same extent indemnification is provided to the current directors of the Company and that the Nominees will be covered by the Company’s director and officer liability insurance, if any.

The share ownership level of each current non-employee director is set forth in the Company’s proxy statement for the Annual Meeting.

None of the Nominees, or any of their respective associates, has received any cash compensation, cash bonuses, deferred compensation, compensation pursuant to plans, or other compensation, from, or in respect of, services

rendered on behalf of the Company that is required to be disclosed under, or is subject to any arrangement described in Item 402 of Regulation S-K promulgated under the Exchange Act (“Regulation S-K”).

None of the Nominees has any position or office with the Company, and no occupation or employment with which the Nominees have been involved, during the past five years, was carried on with the Company or any corporation or organization that is a parent, subsidiary or other affiliate of the Company. None of the Nominees has ever served on the Board.

Interests of the Nominees

The Nominees may be deemed to have an interest in their nominations for election to the Board by virtue of compensation the Nominees will receive from the Company as a director, if elected to the Board, and as described elsewhere in this proxy statement. Hudson expects that the Nominees, if elected, will be indemnified for service as directors of the Company to the same extent indemnification is provided to the current directors of the Company and be covered by the policy of insurance which insures the Company’s directors and officers, if any.

Information regarding the amount of each class of securities of the Company beneficially owned by the Participants in this solicitation and certain other matters is set forth in the section of this proxy statement titled “Certain Information Regarding the Participants.” Except as set forth in this proxy statement, the Nominees do not own any shares of capital stock or other securities of the Company. Information regarding purchases and sales in the securities of the Company effected during the past two years by Participants in this solicitation is set forth in *Annex A* attached to this proxy statement. Except as set forth in *Annex A*, there have been no purchases and sales in the securities of the Company in the past two years by the Nominees. Other than as set forth in this proxy statement, none of the Participants, including any Nominee, or any associate of the foregoing persons, has any substantial interest, direct or indirect, by security holdings or otherwise, in any matter to be acted upon at the Annual Meeting.

Except as set forth in this proxy statement, neither the Nominees nor any of their respective associates are party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material proceeding, and there is no event that occurred during the past ten years with respect to the Nominees that is required to be described under 401(f) of Regulation S-K.

The information herein regarding a particular Nominee has been furnished to Hudson by such Nominee.

WE STRONGLY URGE YOU TO VOTE “FOR ALL” OF LISA P. BAIRD, DOUGLAS G. BERGERON, DOUGLAS L. BRAUNSTEIN, JACOB LAMM, MICHAEL K. PASSILLA, ELLEN RICHEY, ANNE M. SMALLING, AND SHANNON S. WARREN BY MARKING, SIGNING, DATING AND RETURNING THE ENCLOSED GOLD PROXY CARD IN THE POSTAGE PAID ENVELOPE PROVIDED TO YOU WITH THIS PROXY STATEMENT.

Please do not return any white proxy card you may receive from the Company or otherwise authorize a proxy (other than on the **GOLD** proxy card delivered by us to you) to vote your shares of Common Stock or Series A Preferred Stock for the Company’s nominees. If you have already submitted a white proxy card that may have been sent to you by the Company or otherwise authorized a proxy to vote your shares of Common Stock or Series A Preferred Stock for the Company’s nominees, it is not too late to change your vote. To revoke your prior proxy and change your vote, simply sign and return the enclosed **GOLD** proxy card in the postage-paid envelope provided. Only your latest dated proxy will be counted.

PROPOSAL NO. 2—REPEAL OF CERTAIN PROVISIONS OF OR AMENDMENTS TO THE BYLAWS ADOPTED SINCE NOVEMBER 11, 2019

Section 8.08 of Article VIII of the Bylaws provides that the Bylaws may be amended or repealed, or new bylaws may be adopted, either (i) by vote of the shareholders at any duly organized annual or special meeting of shareholders, or (ii) with respect to those matters that are not by statute committed expressly to the shareholders and regardless of whether the shareholders have previously adopted or approved the bylaw being amended or repealed, by vote of a majority of the Board in office at any regular or special meeting of directors. Pursuant to Section 1757 of the Pennsylvania Business Corporation Law, adoption of the Shareholder Proposal requires the affirmative vote of a majority of the votes cast by all Shareholders entitled to vote thereon.

We believe that in order to ensure that the will of the Shareholders with respect to this proxy solicitation is upheld, no effect should be given to any provision of or amendment to the Bylaws, unilaterally adopted by the Board after the date of the most recent publicly disclosed Bylaws, which is November 11, 2019. We are accordingly proposing a resolution that would repeal any provision of the Bylaws or amendment to the Bylaws that the Board adopted or adopts without the approval of the Shareholders after November 11, 2019 and through the conclusion of the Annual Meeting, including, without limitation, any amendments the Board has adopted or might adopt without public disclosure in an effort to impede the effectiveness of our nomination of the Nominees, negatively impact our ability to solicit and/or obtain proxies from shareholders, contravene the will of the shareholders expressed in those proxies or modify the Company's corporate governance regime. Approval of the Shareholder Proposal would not result in the repeal of the Bylaw amendments disclosed by the Company in two Form 8-K filings on November 12, 2019. We are not currently aware of any specific provision of or amendment to the Bylaws that would be repealed by the adoption of the Shareholder Proposal. It is possible that, to the extent this proposal is lawfully approved, such approval could result in the repeal of yet-to-be adopted Bylaw provisions that are aligned with security holders' interests.

Although adoption of this proposal could have the effect of repealing previously undisclosed Bylaw amendments, including those unrelated to the proposed election of the Nominees, without considering the beneficial nature, if any, of such amendments to the Shareholders, it would not repeal any such amendments that were approved by the Shareholders.

The Shareholder Proposal provides for the adoption of a resolution in the following form:

“RESOLVED, that each provision of or amendment to the Bylaws, adopted by the Board without the approval of the Shareholders after November 11, 2019 (the date of the most recent publicly disclosed Bylaws) and through the conclusion of the Annual Meeting be, and they hereby are, repealed.”

WE STRONGLY URGE YOU TO VOTE “FOR” THE SHAREHOLDER PROPOSAL AND TO USE THE GOLD PROXY CARD TO AUTHORIZE A PROXY TO VOTE “FOR” THE REPEAL OF ANY PROVISION OF OR AMENDMENT TO THE BYLAWS ADOPTED WITHOUT SHAREHOLDER APPROVAL AFTER NOVEMBER 11, 2019 (THE DATE OF THE LAST PUBLICLY AVAILABLE BYLAWS), AND THROUGH THE CONCLUSION OF THE ANNUAL MEETING.

PROPOSAL NO. 3—APPROVAL OF THE RIGHTS AGREEMENT

As we anticipate will be discussed in further detail in the Company's proxy statement, the Company should propose that the Shareholders vote to approve the Rights Agreement. We recommend a vote “**AGAINST**” this matter and intend to vote our shares of Common Stock “**AGAINST**” this proposal.

Additional information regarding this proposal should be contained in the Company's proxy statement for the Annual Meeting.

PROPOSAL NO. 4—RATIFICATION OF THE APPOINTMENT OF BDO AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As we anticipate will be discussed in further detail in the Company's proxy statement, the Company should propose that the Shareholders vote to ratify the appointment of BDO as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2020. We recommend a vote "**FOR**" this matter and intend to vote our shares of Common Stock "**FOR**" this proposal.

Additional information regarding this proposal should be contained in the Company's proxy statement for the Annual Meeting.

PROPOSAL NO. 5—ADVISORY VOTE TO APPROVE THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

As we anticipate will be discussed in further detail in the Company's proxy statement, the Company should propose that the Shareholders vote to approve, on an advisory (non-binding) basis, the compensation of the Company's named executive officers in accordance with the compensation disclosure rules of the SEC. We recommend a vote "**AGAINST**" this matter and intend to vote our shares of Common Stock "**AGAINST**" this proposal.

Additional information regarding this proposal should be contained in the Company's proxy statement for the Annual Meeting.

PROPOSAL NO. 6—ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON THE COMPANY'S EXECUTIVE COMPENSATION

As we anticipate will be discussed in further detail in the Company's proxy statement, the Company should propose that the Shareholders vote to approve, on an advisory (non-binding) basis, the frequency of future advisory votes on the Company's executive compensation in accordance with the compensation disclosure rules of the SEC. We are recommending a vote for the approval, on an advisory (non-binding) basis, of a frequency of "**ONE YEAR**" for future advisory votes on the Company's executive compensation and intend to vote our shares of Common Stock for "**ONE YEAR**" on this proposal.

Additional information regarding this proposal should be contained in the Company's proxy statement for the Annual Meeting.

OTHER PROPOSALS

Except as set forth in this proxy statement, we do not know of any other matters to be presented for approval by the Shareholders at the Annual Meeting. If, however, Hudson learns of any other proposals made at a reasonable time before the Annual Meeting, Hudson will supplement this proxy statement and provide Shareholders with an opportunity to vote by proxy directly on such matters.

NO APPRAISAL OR DISSENTER'S RIGHTS

Shareholders will not have rights of appraisal or similar dissenter's rights with respect to any matters identified in this proxy statement to be acted upon at the Annual Meeting.

SOLICITATION OF PROXIES

The solicitation of proxies for our Nominees, Shareholder Proposal and the other proposals will be made by Hudson. By virtue of Instruction 3 of Item 4 of Schedule 14A promulgated under the Exchange Act, Hudson and the Nominees are considered participants in the solicitation.

Hudson Executive has retained Innisfree in connection with this proxy solicitation. Innisfree has agreed to provide consulting and analytical services and solicitation services with respect to banks, brokers, institutional investors and individual shareholders. Hudson Executive has agreed to pay Innisfree a fee for its services, which are anticipated to cost approximately \$250,000, and to reimburse Innisfree for its reasonable out-of-pocket expenses. Hudson Executive also has agreed to indemnify Innisfree against certain liabilities and expenses in connection with this proxy solicitation, including liabilities under the federal securities laws. Approximately 20 employees of Innisfree will engage in the solicitation. Proxies may be solicited by mail, advertisement, telephone, telegraph, facsimile, electronic mail, internet, in person or by advertisements. Solicitations may also be made by persons employed by or affiliated with Hudson. However, no such person will receive additional compensation for such solicitation.

Banks, brokerage houses and other custodians, nominees and fiduciaries will be requested to forward the solicitation materials to the beneficial owners of USAT shares which they hold of record, and Hudson will reimburse them for their reasonable out-of-pocket expenses.

The expenses related directly to this proxy solicitation are expected to be approximately \$1,000,000 in the aggregate and will be borne by Hudson Executive. These expenses include fees and expenses for attorneys, proxy solicitors, printing, postage, filing expenses and other costs incidental to the solicitation. Of this estimated amount, approximately \$500,000 has been spent to date. The actual costs and expenses could be materially different than the estimated amounts. We will file an amendment to this proxy statement if we learn that the actual costs and estimates have materially differed from the estimates disclosed.

The purpose of the proposals in this proxy statement is to advance the interests of all the Company's Shareholders. Therefore, Hudson believes that its expenses related to this proxy solicitation should be borne by the Company and it intends to seek reimbursement of such expenses from the Company whether or not this proxy solicitation is successful. The question of reimbursement of the expenses of Hudson by the Company will not be submitted to a shareholder vote. The Board, which will include all eight of the Nominees, if all are elected, would be required to evaluate and consider the requested reimbursement consistent with their fiduciary duties to the Company and the Shareholders.

CERTAIN EFFECTS RELATED TO THIS SOLICITATION

Equity Plans

If Shareholders act to elect the Nominees as a majority of the members of the Board, then such election could cause payments to be due under certain provisions of the Company's outstanding equity award plans, including its 2018 Equity Incentive Plan, 2015 Equity Incentive Plan, 2014 Stock Option Incentive Plan, and 2013 Stock Incentive Plan (together, the "Equity Plans"). Based on a review of the publicly filed copies of the Equity Plans and the Company's disclosure in its Form 10-K for the fiscal year ended June 30, 2019, the Equity Plans have "double trigger" provisions, meaning that if the Shareholders act to elect the Nominees as a majority of the members of the Board then this alone does not result in any payments becoming due or in the acceleration of vesting under the Equity Plans, but rather a qualifying termination would need to occur within 18 months following such election (generally, a termination without "cause," or, to the extent provided in an applicable award agreement, a constructive termination or resignation for "good reason") before any such payments are due or accelerated vesting occurs.

Financing Agreement

On November 1, 2019, the Company announced that it had entered into a Financing Agreement with Antara, as the lender, and Cortland Capital Market Services LLC, as the administrative agent and collateral agent. Under the Financing Agreement, an event of default includes a majority of the members of the Board ceasing to be composed of individuals who were members of the Board as of the date of the Financing Agreement (October 31, 2019) or whose election or nomination to the Board was approved by such directors. Upon an event of default, Antara may, in its discretion, declare all of the outstanding principal and unpaid interest due under the loan to be immediately due and

Table of Contents

payable, and exercise any other rights provided for it under the loan documents, including foreclosing on the security interests in and to substantially all of the assets, including the intellectual property, of the Company and its subsidiaries. If the Shareholders of the Company elect Hudson's Nominees to the Board at the Annual Meeting, then it is possible that an event of default could be deemed to occur under the Financing Agreement. Hudson believes that if we are successful in our efforts to replace the Board we will have many alternatives to deal with this issue.

INFORMATION REGARDING SHAREHOLDER PROPOSALS AND DIRECTOR NOMINATIONS

Shareholder proposals submitted pursuant to Rule 14a-8 under the Exchange Act for inclusion in the Company's proxy statement for its annual meeting of Shareholders must typically be received at the principal offices of the Company not less than 120 days prior to the first anniversary of the mailing date of the proxy statement. As of the date of this proxy statement, the Company has not disclosed the mailing date of its proxy statement for the Annual Meeting.

The Bylaws provide that, in order to be properly brought before an annual meeting, a Shareholder's notice of a matter that the Shareholder wishes to present (other than a matter brought pursuant to Rule 14a-8 promulgated under the Exchange Act), as well as any director nominations, must be received by the Secretary of the Company not less than 60 nor more than 90 days before the first anniversary of the date of the previous annual meeting. The Bylaws also provide that if the annual meeting date occurs more than 30 days before or 60 days after the first anniversary of the previous annual meeting, the Company must receive proposals not earlier than the close of business on the 90th day prior to the date of the annual meeting and not later than the close of business on the later of: (i) the 60th day prior to the date of the annual meeting; or (ii) the 10th day following the day on which the Company first makes a public announcement of the date of the annual meeting.
