### **Forward-looking Statements:**

"Safe Harbor" Statement under the Private Securities Litigation Reform Act of 1995: All statements other than statements of historical fact included in this release, including without limitation the financial position, anticipated connections to our network, business strategy and the plans and objectives of the Company's management for future operations, are forward-looking statements. When used in this release, words such as "anticipate", "believe", "estimate", "expect", "intend", and similar expressions, as they relate to the Company or its management, identify forward-looking statements. Such forward-looking statements are based on the beliefs of the Company's management, as well as assumptions made by and information currently available to the Company's management. Actual results could differ materially from those contemplated by the forward-looking statements as a result of certain factors, including but not limited to, business, financial market and economic conditions, including but not limited to, the ability of the Company to retain key customers from whom a significant portion of its revenues is derived; whether the Company's customers continue to operate or commence operating ePorts received under the Jumpstart program or otherwise at levels currently anticipated by the Company; the ability of the Company to compete with its competitors to obtain market share; the ability of the Company to obtain widespread commercial acceptance of its products; and whether the Company's existing or anticipated customers purchase ePort devices in the future at levels currently anticipated by the Company. Readers are cautioned not to place undue reliance on these forward-looking statements. Any forward-looking statement made by us in this release speaks only as of the date of this release. Unless required by law, the Company does not undertake to release publicly any revisions to these forward-looking statements to reflect future events or circumstances or to reflect the occurrence of unanticipated events.
