Statement under the Private Securities Litigation Reform Act:

Statements in the links set forth above that are not strictly historical are "forward looking" statements within the meaning of the safe harbor provisions of the federal securities laws. Investors are cautioned that such statements are only predictions, and speak only as of April 29, 2009, the date of the presentations. USA Technologies does not assume any obligation to update such information in the future. USA Technologies' actual results in the future may differ materially from those projected in the forward looking statements due to risks and uncertainties that exist in USA Technologies' operations and business environment, including but not limited to, those risks and uncertainties set forth in the Company's Form 10-K for the fiscal year ended June 30, 2008.
