USTT and WPCS Update the Investment Community in Exclusive WallSt.net Interviews

NEW YORK, Aug. 17 -- On August 15, George Jensen, Chairman and CEO of USA Technologies, Inc. (OTC Bulletin Board: USTT - News) updated the investment community in an all-new, exclusive audio interview with Wall Street Network. Interview highlights include detailed discussions on the following topics:

- The company's one-year agreement to supply its energy management solutions to PepsiCo
- Several global trends bolstering the Company's growth prospects
- Each of the Company's business segments
- Lack of competition in each business segment
- Fiscal fourth quarter highlights
- Management bios
- Upcoming strategic and financial milestones

To hear the interview in its entirety, and to read an in-depth report on the Company, visit <http://wallst.net/superstock/USTT/ustt.html>.

Statement under the Private Securities Litigation Reform Act:

With the exception of the historical information contained in this release, the matters described herein contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These statements relate to future events or our future financial performance and involve known and many involve unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by forward-looking statement including, but not limited to prospects for future market growth. In some cases, you can identify forward-looking statement by terminology such as "may," "will," "should," "expects," "anticipates," "believes," "estimates," "potential," "continue," or the negative terms or other comparable terminology. Although we believe that the expectations in the forward-looking statements contained in this release are reasonable, we cannot guarantee future results, levels of activity, and performance achievements including the success of our anticipated product demonstration, ability to obtain orders for or install products described in this release, our ability to obtain new customers and our ability to commercialize products (including the eZ80Acclaim! Flash MCU for e-Port solution and the e-Port on a chip). These forward-looking statements are based on our current expectations, and we disclaim any obligation to update these forward-looking statements for subsequent events or to explain why actual results differ unless otherwise required by law. You should not place undue reliance on these forward-looking statements.
