USA Technologies Announces Conference Call to Discuss Second Quarter, Fiscal Year 2013 Results

Will Ring The NASDAQ Stock Market Closing Bell Following Earnings Call

MALVERN, Pa.--(BUSINESS WIRE)-- [USA Technologies, Inc.](#) (NASDAQ: USAT) ("USAT"), a leader of wireless, cashless payment and M2M telemetry solutions for small-ticket, self-serve retailing industries, today announced that its financial results for the second quarter ended December 31, 2012 will be released before the market opens on Tuesday, January 29, 2013. USAT will hold a conference call and webcast, from The NASDAQ MarketSite in Times Square, at 10:00 a.m. Eastern Time that day to discuss second quarter financial results and conduct a question and answer session.

USA Technologies invites all interested parties to listen to the live webcast of the conference call, accessible on the [Investor Relations](#) section of USA Technologies' website (under Events & Presentations). The webcast will be archived on USAT's website within two hours of the live call and will remain available for approximately 90 days. Please allow adequate time prior to the webcast for any software downloads that may be required.

Interested parties unable to access the webcast may also participate by calling (866) 393-1608 or, if an international caller, (224) 357-2194. A replay of the call will be available until midnight, January 31, 2013 and can be accessed by calling (855) 859-2056, ID# 89544751.

Following its quarterly earnings call, and later that day, USAT will ring The NASDAQ Stock Market Closing Bell in Times Square, New York.

About USA Technologies:

USA Technologies is a leader of wireless, cashless payment and M2M telemetry solutions for small-ticket, self-serve retailing industries. ePort Connect® is the company's flagship service platform, a PCI-compliant, end-to-end suite of cashless payment and telemetry services specially tailored to fit the needs of the small ticket, self-service retail industries. USA Technologies also provides a broad line of cashless acceptance technologies including its NFC-ready ePort® G8, ePort Mobile™ for customers on the go, and QuickConnect™, an API Web service for developers. USA Technologies has been granted 84 patents; and has agreements with Verizon, Visa, Elavon and major customers such as Compass, Crane, AMI Entertainment and others.
