USA Technologies to Present at Roth Capital Partners Investor Conference On Thursday September 8th

MALVERN, Pa, August, 29, 2005.--USA Technologies (OTCBB: USTT) announced today that the Company has accepted an invitation to present at The Roth Capital Partners New York Conference at The Westin New York in Times Square on Thursday, September 8, 2005. USA Technologies' Chairman and CEO George R. Jensen, Jr. will discuss recent developments and future prospects in a presentation at 3:30 p.m. Eastern.

The presentation will be webcast live and archived at: www.wsw.com/webcast/roth6/ustt/.

Roth Capital Partners Stock Conferences are the largest in the nation for micro and small cap companies. By combining company presentations, Q&A sessions, management breakouts and one-on-one meetings, Roth conferences offer institutional clients direct contact with senior management in a concentrated two-day format. The conference will feature over 200 companies from various industries including healthcare, financial services, consumer products, and technology.

About Roth Capital Partners, LLC:

With corporate headquarters in Newport Beach, California, and offices in strategic locations in the Western United States, Roth Capital Partners, LLC is a full service investment bank serving corporate and institutional clients throughout the world. Offering a wide array of investment banking services including: initial public offerings, follow-ons, PIPEs, private placements, mergers and acquisitions, investment research, and institutional sales and trading, the firm is perhaps best known for finding, funding and fostering the growth of emerging companies. It is a member of the National Association of Securities Dealers (NASD), the Securities Industry Association (SIA), and the Securities Investor Protection Corporation (SIPC). Visit the Roth Capital Partners website at www.rothcp.com.

Statement under the Private Securities Litigation Reform Act:

With the exception of the historical information contained in this release, the matters described herein contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These statements relate to future events or our future financial performance and involve known and many involve unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by forward-looking statement including, but not limited to prospects for future market growth. In some cases, you can identify forward-looking statement by terminology such as "may," "will," "should," "expects," "anticipates," "believes," "estimates," "potential," "continue," or the negative terms or other comparable terminology. Although we believe that the expectations in the forward-looking statements contained in this release are reasonable, we cannot guarantee future results, levels of activity, and performance achievements including the success of our anticipated product demonstration, ability to obtain orders for or install products described in this release, our ability to obtain new customers and our ability to commercialize products (including the eZ80Acclaim! Flash MCU for e-Port solution and the e-Port on a chip). These forward-looking statements are based on our current expectations, and we disclaim any obligation to update these forward-looking statements for subsequent events or to explain why actual results differ unless otherwise required by law. You should not place undue reliance on these forward-looking statements.
