

USA Technologies' Leadership in Cashless Payment Technology Featured in Two Strategic Industry Media

MALVERN, Pa., Mar 24, 2009 (BUSINESS WIRE) -- USA Technologies (NASDAQ:USAT) announced today that its ePort Connect(TM) cashless payment technology is featured in two key trade media for its technology leadership.

Automatic Merchandiser Magazine features the ePort(R) in a special report on how smart technology is changing the office coffee industry, while RFID Journal reports on the 'flagship' ePort G8 and its wireless capability.

Automatic Merchandiser is considered the premier source for vending and office coffee service industry information. RFID Journal focuses solely on radio frequency identification and is recognized as the world's leading source of RFID news and insights.
